Requisitions → Manage Requisitions

1. Select **Recruiting** → **Requisitions** → **Manage Requisitions**.
2. Select **JOB TITLE** to sort or **Filter** to find requisition.
3. Click on job name to view **Requisition Details**.
4. From **Requisition Details**, scroll to Attachments to view Job Profile.
5. From **Requisition Details**, scroll to **Screening Questionnaire** to view internal and external questionnaire.

6. View **STATUS** of status:

Pending	Requisition is being created
Open	Posted to all applicants
Open – Internal	Posted to internal applicants only
Open – No Posting	Used to fill a job without posting (e.g., eligibility list)
Cancelled	Requisition cancelled
Posting Closed	Posting no longer advertised, applications no longer accepted
Offer	Offer extended to a candidate
Filled	Requisition complete, appointment made
On Hold	Requisition is on hold after posting

New Resumes and Candidates

1. Select **Recruiting** → **Requisitions** → **Manage Requisitions**
2. Click arrow beside **Filter**.
3. Enter requisition search criteria and click **Filter**.
4. Click on hyperlinked number in column to view:
 - New resumes:** applicants who have not been reviewed.
 - Applicants who pass / fail the questionnaire will display in two tables.
 - Candidates:** applicants screened to active candidate status (next stage).

VACANCIES VIEWS NEW RÉSUMÉS CANDIDATES
