Effective September 13, people aged 12+ will need to show proof of vaccination to get into certain events and businesses in BC. People can show proof of vaccination with one of the types of official immunization records below, or a COVID-19 immunization record from a pharmacy. An official BC immunization record is only accepted until September 26, 2021. Starting September 27, 2021, the BC Vaccine Card will be the only accepted form of proof of vaccination for people who live in BC.
