

WHAT IS ACCEPTED AS PROOF OF VACCINATION

Effective September 13, people aged 12+ will need to show proof of vaccination to get into certain events and businesses in BC. People can show proof of vaccination with one of the types of official immunization records below.

A BC immunization record

Accepted only until September 26, 2021.

The BC Vaccine Card

Save it to your phone, print it, or get a copy in the mail.

An outside-of-BC immunization record

Accepted if you are visiting BC.

Everyone aged 19+ must show government-issued photo ID with their proof of vaccination.
