BCACS Account Agreement

It is implied with this application that the acquirer agrees to the following terms and conditions for the data acquired from the Minister of Agriculture and Lands.

1. The supplied data will be used solely for the internal purpose of the acquirer.
2. A credit line will be shown on any product(s) identified in the condition 1 above which contain any of the supplied data. The credit line will clearly identify what data was supplied by Crown Registry and Geographic Base Branch and the date it was supplied.
3. In view of the temporal (i.e. changes of time) nature of the data, it is the responsibility of the acquirer of the data: (1) to confirm with Crown Registry and Geographic Base Branch whether later revisions are available before making use of the data; and (2) if the Minister permits the acquirer to provide the data to other users, to advise users of the age and status of the data.
4. Redistribution or resale of supplied data in whole or in part, is not permitted, without prior written authorization of the Minister.
5. The acquirer agrees that (1) the data and each part thereof, and any formatting or presentation thereof, any storage media on which it is provided, and any communication of any kind, incidental, or in relation thereto, is provided to the acquirer by the Minister and the Crown without warranty or representation as to any matter including but not limited to whether the data and storage media is correct, accurate or free from error, defect, danger, or hazard, and whether it is otherwise useful or suitable for any use the acquirer may make of it; and (2) the Crown and the Minister provide the data, any related communication and any storage media without liability to the Crown, the Minister, or their employees for any loss of any kind the acquirer may sustain for any reason.
6. The acquirer releases and discharges, and grants a waiver to, the Crown, the Minister and its employees for any and all claims, obligations, loss, actions, right of action, and damages (including any damages that are direct, consequential or otherwise) including any arising from any negligence of the Crown, the Minister, or its employees or agents that the acquirer may sustain from or in connection with preparation of, or provision to and receipt by the acquirer of, the data or any storage media, and other activity or occurrence in respect of the data or storage media.
7. The acquirer further covenants and agrees that the Minister has, and shall continue to have, the absolute right, privilege and entitlement to make any such other use, disclosure to any person, application or retention, or any other handling of or dealing with the data as the Minister sees fit and in any format and storage media as the Minister see fit, and nothing in or arising from this Agreement shall in any way limit, restrict or impinge upon the aforesaid right, privilege and entitlement of the Minister. (2) Nothing in this Agreement shall reduce or diminish the Minister's ownership or copyright in the data or its compilation or arrangement. Any analyses, programs, systems, software and formatting in the data or on the storage media shall be the property of the Minister.

Instructions for Pay-Per-Download Accounts

On January 1, 2009 an automated daily billing system was introduced to replace the previous manual quarterly billing system for BCACS *pay-per-download* data. In order for the automated daily billing system to function, your BCACS account must be referenced to a BCeID account that is linked to a credit card. Since referencing your BCACS and BCeID accounts is a one-time manual process, the Geospatial Reference Unit must be notified of your BCeID "*User ID*" and "*Account Type*" to make the link. It is important to note that your BCACS account can only be referenced to one BCeID "*User ID*".

Summary of Steps Required:

- 1) Obtain a BCeID account (if you don't already have one) by going to <https://www.bceid.ca/register/>. You only need to obtain one of two types of account; "*Business BCeID*" or a "*Basic BCeID*".
- 2) Add your credit card information to your BCeID via the Base Map On-line Store by going to below link: <https://apps.gov.bc.ca/ext/mtec/account/creditCard.do?ecommerceApplicationId=1>. Your credit card details will be linked to your government BCeID. This link is maintained in the bank processing system. Your credit card details are never made available to government employees.
- 3) Add to the appropriate place on the first page of this document:
 - a) Your BCeID "*User ID*" (examples: urbansys, westvan)
 - b) Your BCeID "*Account Type*" (Business or Basic)
- 4) Do NOT forward BCeID passwords or other account information.
- 5) Instructions on how to access the BCACS data will be forwarded once the account is set up.
- 6) If you have any questions, feel free to contact: Tyson.Altenhoff@gov.bc.ca or by telephone at (250) 952-5314
