

INSTRUCTIONS

NOTE TO DRIVER AND PHYSICIAN OR NURSE PRACTITIONER (NP):

The Superintendent of Motor Vehicles (RoadSafetyBC) has arranged that physicians may bill the Ministry of Health, through the Teleplan billing system, \$75 to complete this form. RoadSafetyBC will reimburse Teleplan for such charges.

RoadSafetyBC has no authority to set the fee physicians or nurse practitioners charge. Physicians are entitled to set their own fee and to bill patients directly for either their full fee or any portion of the fee that exceeds the \$75 the physician may bill through Teleplan.

RoadSafetyBC will accept a DME completed by any qualified medical practitioner in British Columbia.

To the driver:

- Under section 25 or 29 of the *Motor Vehicle Act* the Superintendent of Motor Vehicles requires you to have this form completed because you have disclosed a driving-related medical condition; it is time to review the status of a previously identified driving-related medical condition; or a report has been received from a medical professional, police officer, or other person reporting a possible medical condition that may affect driving about which more information is required. Refer to the **“REASON FOR EXAMINATION AND CLASS”** on the front of the form.
- This form must be completed and returned by your physician or NP to the Superintendent of Motor Vehicles within 45 days. If medical approval is required prior to obtaining a licence for any class, you will be unable to obtain that licence until the completed form is submitted and approved. If this medical examination is required for a class of licence you already have, your driver’s licence may be cancelled if you fail to have the form completed and submitted by your physician or NP within 45 days. This means you will be unable to drive until the form is submitted and you are issued a new driver’s licence.
- If you are currently prohibited from driving, this medical report must be completed and returned by your physician or NP before your driving privilege can be considered for reinstatement.
- If you do not wish to retain your present class of driver’s licence, please present this report completed and your driver’s licence to the nearest ICBC Driver Licensing Office.
- If you have a medical condition that may relapse, recur or deteriorate, you may have to take future medical examinations.
- You will be notified in writing **only if there is a change in your driver’s licence status or if the Superintendent of Motor Vehicles requires further information.**
- If you have any questions about the collection of your personal information you may contact the RoadSafetyBC branch at PO Box 9254 Stn Prov Govt, at 250-387-7747 or toll-free at 1-855-387-7747.

To the examining physician or NP:

- It is essential to note the “Reason for Examination” and class of licence on the front of the form prior to completion.
