

Safety Checklist

Ministry of Transportation
and Infrastructure
British Columbia

ADOPT A HIGHWAY SAFETY CHECKLIST

(to be performed on the day of clean-up)

- 1. Conduct a "Roll Call" prior to and after completing work.
- 2. Review Safety Rules.
- 3. Identify a first aid person and review procedures for summoning first aid and emergency communications.
- 4. Wear appropriate clothing (i.e. footwear suitable for weather/local conditions).
- 5. Safety vests, garbage bags and invasive plant bags have been distributed.
- 6. Place temporary 'Crew Working' signs at each end of the assigned work area. These are not to be removed until the work has been completed.
