

Highway 16 Transportation Options

Information updated as of March 2020

Community Vehicles

With funding from the Ministry of Transportation and Infrastructure the following communities and organizations provide community-based transportation services. Some provide scheduled services on defined routes, whereas others provide on-demand services within a geographic area. **Please confirm directly with service provider.**

For more information or to book, please visit www.nhconnections.ca or call 1-888-647-4997.

This service is for all northern residents travelling outside their home community for non-emergency health care or who need to get home after travelling by ambulance to another community. Travel companions can also travel with you and immediate family may use the bus to travel to support family members who require health care services outside of their home community. This service is also available for seniors (over 60) and people with mobility challenges.
