Dear Ryan:

Re: Work Assignment Letter #3 for Contract #038CS93254
Balfour Ferry Terminal Project # 09056

This work assignment letter (WAL) is your authority to provide the services under the above referenced contract. Kindly proceed with the services outlined below:

Scope

Undertake a high-level study to evaluate the technical requirements to execute dredging in the approaches to the existing Balfour Ferry Terminal in the West Arm of Kootenay Lake.

- Task 1 – Concept Design of Navigation Channel**
- Task 2 – Review of Available Dredging Equipment**
- Task 3 – Environmental Overview Assessment (identify the kind of habitat/aquatic species present in the area of dredging; review potential permitting requirements)**
- Task 4 – Hydraulic Review (high level study of potential impacts to river flow and lake levels)**
- Task 5 – Cost Estimate (order of magnitude estimate to execute dredging works)**
- Task 6 - Risk Assessment on undertaking dredging**

Deliverables

- Technical Report, with recommendations and dredging layout sketches.

Fees

The total price is **\$28,390** excluding taxes based on the hourly rates and expenses in Contract#038CS93254. The total price is not to be exceeded unless approved in advance in writing by the Ministry. Payment for these services will be made monthly in arrears upon satisfactory completion of the services. Please provide any supporting receipts with your invoice and reference the **Task #, WAL # 3 and Contract # 038CS93254** on all invoices.

Receipt of this work assignment must be acknowledged below by signing below, and then return same to the undersigned via email Mike.Hallas@gov.bc.ca.

Yours truly,

Mike Hallas
Manager, Project Management
