- (b) refer the dispute to a Referee, in accordance with GC 58.11; or
- (c) refer the dispute directly to arbitration in accordance with GC 61.00.

GC 60.00 APPEAL

GC 60.01 The Deputy Minister shall give a written decision to the Contractor no later than sixty (60) days following receipt by the Deputy Minister of the appeal described in GC 59.05, stating that:

- (a) the decision of the Ministry Manager, pursuant to GC 59.03, is reversed, in which case the Ministry shall enter into a Supplemental Agreement, as necessary; or,
- (b) the decision of the Ministry Manager, pursuant to GC 59.03, is affirmed.

GC 60.02 A Supplemental Agreement entered into pursuant to GC 60.01 constitutes a full and final settlement of the Formal Claim.

GC 60.03 If the decision of the Deputy Minister does not resolve the dispute, the Contractor may, no later than thirty (30) days following receipt of the decision, refer the dispute to arbitration.

GC 61.00 ARBITRATION

GC 61.01 If the dispute is not resolved in accordance with GC 60.00 or in lieu of an appeal to the Deputy Minister as described in GC 60.00, the dispute shall be referred to and finally resolved by binding arbitration:

- (a) by a single arbitrator appointed by the parties;
- (b) at a place agreed to by the parties; and
- (c) unless the parties agree otherwise, under the [rules](#) of the [British Columbia International Commercial Arbitration Centre](#) for the conduct of domestic commercial arbitration.

- (a) an order is made, resolution passed, or petition filed, for the liquidation or winding up of the Contractor;
- (b) the Contractor becomes insolvent, commits an act of bankruptcy, makes an assignment for the benefit of its creditors, or otherwise acknowledges its insolvency;
- (c) a bankruptcy petition is filed against, or a proposal under the [Bankruptcy and Insolvency Act](#) is made by, the Contractor;
- (d) a receiver or receiver-manager of any property of the Contractor is appointed;

- (f) a floating charge granted by the Contractor crystallizes or becomes enforceable or any other action is taken to enforce any charge granted by the Contractor;
- (g) the Contractor fails to perform any of its obligations or breaches any term or provision of the Contract;
- (h) the Contractor fails to give Notice to the Ministry, specifying particulars, that there has occurred or is continuing a default under the Contract;
- (i) any representation or warranty made by the Contractor in the Contract is materially incorrect;
- (j) any information, or document furnished by or on behalf of the Contractor to the Ministry in connection with the Tender or as a result of the Contract is materially incorrect;
- (k) there is any bona fide proceeding, pending or threatened against the Contractor, which would, in the opinion of the Ministry Manager, if successful, materially adversely affect the ability of the Contractor to fulfill its obligations under the Contract;
- (l) a change occurs with respect to the property or business of the Contractor which, in the opinion of the Ministry Manager, materially adversely affects the ability of the Contractor to fulfill its obligations under the Contract; and
- (m) the Contractor permits any sum pertaining to the Work to remain unpaid, which it does not in good faith dispute to be due from it, after legal proceedings have been commenced to enforce payment thereof.

GC 62.02 On the occurrence of an Event of Default, or at any time thereafter the Ministry may, in addition to any other remedy to which the Ministry may be entitled, deliver written Notice to the Contractor specifying the Event of Default and the Ministry may, at its option, elect to carry out any one or more of the following:

- (a) pursue any remedy available to it at law or in equity;
- (b) subject to the approval of the Ministry manager, retain any payment or any part of any payment due to the Contractor under the Contract, including any sums currently being held-back by the Ministry and any other amount which the Ministry Representative reasonably believes, on the basis of information available to the Ministry Representative, reflects an estimate of the costs, expenses or liabilities which the Contractor has saved or not incurred as a consequence of the Event of Default;
- (c) notify the Surety that the Contractor is in default under the Contract;
- (d) take all actions in its own name or in the name of the Contractor including, without limitation, taking ownership of the Project Material, taking steps, procuring material, equipment, and labour and carrying out any activities that, in the opinion of the Ministry Manager, are reasonably required to rectify the Event of Default, in which case any payments, costs and expenses incurred by the Ministry in remedying the Event of Default shall be payable by the Contractor to the Ministry on demand, and the Ministry may set off against any sums owing by the Ministry to the Contractor, including any amount retained as a holdback under GC 62.02(b);
- (e) by Notice to the Contractor suspend the rights and obligations of the Contractor under the Contract, in whole or in part;
- (f) waive the Event of Default in writing and on such conditions as the Ministry Manager may determine;
- (g) provide Notice to the Contractor stating that it is in default under the Contract, providing a summary of the Event of Default and the time period in which the Event of Default must be remedied; and
- (h) terminate the Contract.

GC 62.03 If any amounts have been retained as a holdback by the Ministry in accordance with GC 62.02(b) or GC 62.02(d), the subject funds shall continue to be retained and shall be dealt with as follows:

- (a) where the Event of Default has been cured or remedied by the Contractor to the satisfaction of the Ministry with such time period as may be specified by the Ministry, then the Ministry shall pay the amount previously retained by the Ministry to the Contractor less any amount which the Ministry Representative reasonably believes, on the basis of information available to the Ministry Representative, reflects an estimate of the costs, expenses or liabilities which the Ministry has incurred as a consequence of the Event of Default;
- (b) where in the Ministry's reasonable opinion, the Event of Default is not curable, or has not been remedied by the Contractor to the satisfaction of the Ministry within such time period as may be specified by the Ministry, then the Ministry may, at its option, keep the amount retained in reduction for payment otherwise payable to the Contractor under the Contract; and
- (c) no interest shall be calculated or paid by the Ministry with respect to any amount being retained by the Ministry in accordance with GC 62.02(b).

GC 62.04 The rights, powers, and remedies conferred on the Ministry under GC 62.02 and GC 62.03 are not intended to be exclusive and each right, power and remedy referred to therein shall be

cumulative and are in addition to and not in substitution for any other right, power or remedy existing or available to the Ministry under the Contract, at law, or in equity, and the exercise by the Ministry of any right, power or remedy shall not preclude the simultaneous or later exercise by the Ministry of any other right, power or remedy.

GC 62.05 No failure or delay on the part of the Ministry to complain of or provide Notice to the Contractor of any act or failure on the part of the Contractor, or to declare the Contractor in default under GC 62.01, irrespective of how long such act or failure or Event of Default has continued, shall constitute a waiver by the Ministry of its rights hereunder.

GC 63.00 *TERMINATION FOR REASONS OTHER THAN DEFAULT*

GC 63.01 Notwithstanding any other provision of the Contract, the Ministry may at any time, upon giving thirty (30) days prior Notice to the Contractor, terminate the Contract.

GC 63.02 Subsequent to receipt of Notice from the Ministry pursuant to GC 63.01, the Contractor shall only proceed with those portions of the Work specifically authorized in writing by the Ministry Manager.

GC 63.03 Upon termination of the Contract in accordance with GC 63.01, the Ministry shall have no further obligation to the Contractor except to pay to the Contractor:

- (a) the amount the Contractor is entitled to for Work satisfactorily completed on the Project to the date of termination; and
- (b) other actual expenses of the Contractor, such as demobilization and compensation for unrecovered actual fixed expenses which are, in the opinion of the Ministry, reasonable in the circumstances.

GC 64.00 *TERMINATION BY THE CONTRACTOR*

GC 64.01 The Contractor may by giving Notice to the Ministry Manager, declare the Ministry in default of the Contract for any of the following reasons:

- (a) the Ministry has failed to pay the Contractor within sixty (60) days of the date that any payment becomes due to the Contractor in accordance with the terms of the Contract, unless the Ministry is bona fide disputing liability to make such payment and has provided Notice to the Contractor of the basis for its dispute;
- (b) the Ministry has failed to substantially supply the Site to the Contractor, subject to any property availability restrictions identified in the Contract, within sixty (60) days following the Site Occupation Date proposed by the Contractor in the Project Schedule or otherwise amended pursuant to the Contract.

GC 64.02 On the happening of a default described in GC 64.01, the Contractor shall either waive the default or specify in writing a seven (7) day rectification period within which the Ministry shall remedy the event.

GC 64.03 If the Ministry fails to remedy the default within the rectification period or any extension thereof established in accordance with GC 64.02, the Contractor may:

- (a) extend or further extend the rectification period; or
- (b) terminate the Contract

within seven (7) days of the end of the rectification period, or, notwithstanding GC 77.00, shall be deemed to have waived the default.

GC 64.04 If the Contractor terminates the Contract in accordance with GC 64.03, the Contractor is entitled to be paid:

- (a) in accordance with the terms of the Contract for all Work satisfactorily performed to the date of termination; and

GC 67.00 AUDIT

GC 67.01 The Ministry may, in its sole discretion, conduct an audit of the Contractor and has all powers necessarily incidental to conducting an audit including, without limitation, the right to inspect and take copies of the books and records of the Contractor in connection with the Contract upon reasonable notice and at reasonable times.

GC 68.00 CONFIDENTIALITY

GC 68.01 The Contractor shall treat as confidential and shall not, without the prior written consent of the Ministry, publish or disclose or permit to be published or disclosed, any information supplied to, obtained by, or which comes to the knowledge of the Contractor as a result of the Contract except insofar as such publication or disclosure is required by law or is necessary to enable the Contractor to fulfill any obligations that the Contractor may have under the Contract.

GC 68.02 Any documentation relating to the Project that is in the custody or under the control of the Ministry is subject to the [Freedom of Information and Protection of Privacy Act](#).

GC 68.03 Unless otherwise stated in the Contract and subject to [Freedom of Information and Protection of Privacy Act](#), all information submitted by the Contractor to the Ministry shall be considered confidential during the Term and the Ministry shall not, without the prior written consent of the Contractor, publish or disclose the information, except insofar as the publication or disclosure is required by law.

GC 68.04 Notwithstanding GC 68.03, the Ministry may use any such information for the purposes of administration, analysis of and cost estimation of this and other projects and may disclose such information to its consultants for that purpose.

GC 69.02 The Contractor acknowledges that the Ministry may, in its discretion and without consultation with the Contractor, make any public announcement relating to the Project.

GC 70.00 PROVINCIAL PROPERTY

GC 70.02 The Ministry may, prior to the Completion Date or earlier termination of the Contract, give written notice to the Contractor requiring the Contractor to deliver to the Ministry the property or any part of the property, in which event the Contractor shall forthwith comply with the request.

GC 70.03 The Contractor assigns all ownership rights, including copyrights, in the Project Material to the Ministry and shall deliver to the Ministry the Project Material upon the earlier of a demand by the Ministry, and the End Date or prior termination of the Contract.

GC 70.04 The Contractor shall obtain, and forward to the Ministry with the Project Material, a waiver of moral rights from each individual who has created any portion of the requested Project Material.

GC 71.00 ENTIRE CONTRACT

GC 71.01 The Ministry and the Contractor acknowledge and agree that the Contract represents the entire contract and agreement between the Contractor and the Ministry and that the Contractor has not relied upon or been induced by any representation, promise or warranty whatsoever by the Ministry or any officer, employee or agent of the Ministry, in entering into the Contract or with respect to the Work, other than as set out in the Contract.

GC 71.02 Each Schedule, Appendix, Addendum and any Supplemental General Conditions attached to the Contract is an integral part of the Contract as if set out at length in the body of the Contract.

GC 72.00 AMENDMENTS

GC 72.01 The Contract may only be amended by a duly executed Supplemental Agreement

GC 73.00 ADDRESS FOR NOTICES

GC 73.01 Any written notice, including a Notice, document, or payment desired or required to be given, delivered or made under the Contract will be conclusively deemed validly given, delivered or made to and received by the addressee, for the purposes of any time restrictions of the Contract, :

- (a) if delivered personally to the addressee, on the date of delivery, or
- (b) if mailed in Canada with postage prepaid addressed to the party at the address set out on the execution page of the Contract, on the third day after its mailing, except in the event of disruption of postal services in Canada in which case it is deemed received by the addressee when actually delivered to the address for the addressee or as changed pursuant to GC 73.03.

GC 73.02 Any notice or document desired or required to be given under the Contract may be transmitted by facsimile transmission from either party and will be conclusively deemed validly given to and received by the intended recipient, for the purposes of any time restrictions of the Contract, when so transmitted to the numbers set out on the execution page.

GC 73.03 Either party may from time to time notify the other party in writing of a change in address, for the purposes of GC 73.01, or a change in facsimile number, for the purposes of GC 73.02, and the change in address or facsimile number will be effective upon receipt of the notice.

GC 74.00 CONFLICT OF INTEREST

GC 74.01 The Contractor shall not, during the Term, perform a service or provide advice or information to any party where that service, advice, or information may or does, in the opinion of the Ministry Manager, give rise to a conflict of interest between the obligations of the Contractor to the Ministry under the Contract and the obligations of the Contractor to any other party.

GC 75.00 FURTHER ASSURANCES

GC 75.01 Each of the parties shall, upon the reasonable request of the other, do or cause to be done all further things for the better performance of the Contract.

GC 76.00 DUTY TO MITIGATE

GC 77.00 WAIVER

GC 77.01 No waiver by either party of a right of that party or any breach by the other party in the performance of any of its obligations under the Contract is effective unless it is in writing.

GC 77.02 No waiver of any right or obligation or breach is a waiver of any other right, obligation or breach.

GC 78.00 TIME

GC 78.01 Time is of the essence of the Contract.

GC 79.00 INTERPRETATION

GC 79.01 Where the Contract references a statute such reference is to a statute of the Province of British Columbia unless otherwise stated, and includes every amendment to it, every regulation made under it, and any enactment passed in replacement or substitution for it.

GC 79.02 Unless the context otherwise requires, any reference in the Contract to any Article, Schedule, Section or Subsection, Paragraph or Subparagraph by number is a reference to the appropriate Article, Schedule, Section or Subsection, Paragraph or Subparagraph of the Contract.

GC 79.03 Head notes and indices in these General Conditions or any other part of the Contract are inserted for convenience of reference only, form no part of the Contract, and do not affect the interpretation of the Contract.

GC 79.04 In the Contract, a person includes a corporation, firm, association, and other legal entity, and wherever the singular or masculine is used it is as if the plural, the feminine, or the neuter, as the case may be, had been used where the context or the parties requires.

GC 79.05 If any provision of the Contract or the application thereof to any person or circumstance is unenforceable, the remainder of the Contract and the application of that provision to any other person or circumstance are not affected and the Contract is enforceable to the extent permitted by law.

GC 79.06 If any one or more provisions of the Contract conflict, then the provisions apply in the following prioritized order:

- (a) any Supplemental Agreements, in reverse chronological order;
- (b) Schedule 8 – Contract Addenda, in reverse chronological order;
- (c) the Supplemental General Conditions;
- (d) the [Glossary of Terms](#);
- (e) these General Conditions;
- (f) Schedule 3 - Special Provisions;
- (g) appendices to Schedule 3 – Special Provisions;
- (h) Schedule 4 – Drawings;
- (i) the [Design Build Standard Specifications](#);
- (j) the [Maintenance Specifications](#);
- (k) the [Electrical Maintenance Standards](#); and
- (l) the remaining provisions of the Contract and the remaining Schedules.

GC 79.07 In the Special Provisions and the Drawings, figured dimensions prevail over scaled dimensions.

GC 79.08 In the Contract, the units of measurement are:

- (a) determined on the basis of the "[International System of Units](#)" established by the "[General Conference on Weights and Measures](#)"; and
- (b) as defined by the [Weights and Measures Act](#).

GC 79.09 A reference to a "day" or "days" means a calendar day or days, unless a contrary intention is expressed in the Contract.

GC 79.10 Where there is a time limitation under the Contract, and the time in question for performance of an obligation expires on a Saturday, Sunday or a Holiday, the time for performance of the obligation governed by the time limitation is extended to the next day that is not a Saturday, Sunday or Holiday.

GC 79.11 In the calculation of time, the first day shall be excluded and the last day included.

GC 79.12 The rights, powers, and remedies conferred on the Ministry under the Contract are not intended to be exclusive but are cumulative and are in addition to and not in substitution for any other right, power, and remedy existing under the Contract, under any other agreement, at law, or in equity. The exercise by the Ministry of any right, power, or remedy does not preclude the simultaneous or later exercise by the Ministry of any other right, power, or remedy.

GC 79.13 Any inspections, approvals, acceptance or consent by the Ministry in connection with any of the Work shall be for the limited purposes of enabling the Ministry to review the compliance of the Contractor with the Contract, and shall not under any circumstances relieve or excuse the Contractor from all of its obligations to ensure complete compliance with the Contract, and, without limitation, the requirement that the Project meet the standards of quality and safety as specified in the Contract.

GC 79.14 Approval or acceptance by the Ministry of any aspect of the Work does not relieve the Contractor of its obligation to perform the Work in accordance with the Contract.

GC 79.15 Where the Contract anticipates the use of a specific form, an alternative instrument may be used that clearly identifies the instrument as being a substitute for the specified form and by such use shall implicitly incorporate any terms and conditions pre-printed on the specified form.

GC 80.00 *SURVIVAL OF TERMS*

GC 80.01 All terms of the Contract in favour of the Ministry and all rights and remedies of the Ministry, either at law or in equity, survive the termination of the Contract.

GC 81.00 *SUCCESSORS AND ASSIGNS*

GC 81.01 The Ministry may, upon notice to the Contractor, assign any or all of its rights or obligations under the Contract to any third party.

GC 81.02 The Contract continues to the benefit of and binds the Ministry and its assigns and the Contractor and its successors and permitted assigns.

GC 82.00 *GOVERNING LAW*

GC 82.01 The Contract shall be governed, construed and interpreted in accordance with the laws of the Province of British Columbia.

GC 82.02 The Contractor hereby irrevocably attorns itself to the exclusive jurisdiction of the courts of the Province of British Columbia in all matters related to the Contract.

GC 83.00 *LIMITATIONS FOR CLAIMS*

GC 83.01 The Contractor's right to commence any legal proceedings or any action against the Ministry for any matter arising directly or indirectly out of the performance or non-performance of the Contractor's or Ministry's obligations under the Contract, shall be absolutely barred upon the expiration of eighteen (18) months after the Actual Completion Date.

GC 83.02 The Contractor shall not assert any claim, file or commence any legal proceeding or any action of any kind whatsoever, in contract or in tort, or seek any other recourse against the Ministry's officers, employees or agents for any matter whatsoever in connection with this Contract.

GC 84.00 JOINT AND SEVERAL LIABILITY RE JOINT VENTURES

GC 84.01 If the Contractor is a joint venture, each venturer within the joint venture shall be jointly and severally liable for the representations, warranties, debts and obligations of the joint venture made, given or incurred under, pursuant to, or as a result of or arising from the Contract, notwithstanding the nature of the legal relationship between the venturers.
