

Preface

The BC Ministry of Transportation and Transit (BC MoTT) Supplement to CSA S6:19 is to be read and utilized in conjunction with the CSA S6:19 Canadian Highway Bridge Design Code. Included in this supplemental document are referenced bridge design code clauses where; additional text is provided that supplements the design clause, changes are noted that either delete or modify text, or additional commentary is provided for the reference of the designer. All Commentary within this document is denoted by *italicized text*. The text under each specific clause is considered additional and supplemental to the information provided in the CSA S6:19 Canadian Highway Bridge Design Code.
