Ministry of Transportation

ENGINEERING BRANCH  
TRAFFIC, ELECTRICAL, HWY SAFETY AND  
GEOMETRIC STANDARDS. SECTION  
BULLETIN NUMBER: **TE-2004-02**

<b>Subject: Revisions to 2004 Standard Specifications for Highway Construction, Section 635</b>	
<b>Date:</b> June 15, 2004	<b>Author:</b> Ross Casey
<b>Bulletin Number:</b> TE-2004-02 <b>Bulletin Type:</b> Clarification	<b>Effective Date:</b> Immediately
<b>Distribution</b>	<b>Standards Affected</b>
All holders of the Standard Specifications for Highway Construction (2004)	Standard Specification Drawings SP 635.1.1.18 and 1.1.19

## BACKGROUND:

The 2004 edition of the Standard Specification for Highway Construction included revision B and C of Standard Specification Drawing SP 635.1.1.19, but did not include Drawing SP 635.1.1.18, revision C. Drawing SP 635.1.1.18, revision C is attached to this technical bulletin.

## Policy:

Effective immediately, drawing SP 635.1.1.18, revision C supercedes drawing SP 635.1.1.18, revision B.

## Procedure:

Manual holders shall remove drawing SP 635.1.1.19 B and add drawing SP 1.1.18 C to the Standard Specifications for Highway Construction (2004)
