

TECHNICAL CIRCULAR T-02/01

File: 195-20/TECH
Date: January 4th, 2001

To: Regional Directors
District Highways Managers
Major Project Directors
Headquarters Directors

SUBJECT:

Policy Manual for Supplemental Signs, September, 2000 Edition

PURPOSE:

This circular establishes the "**Policy Manual for Supplemental Signs**", September, 2000 Edition, as the official policy on non-standard traffic signs installed or permitted on provincial highways rights-of-way. This manual replaces the 1995 Draft Edition.

POLICY:

Warrants and policies described in this manual have been in effect for varying years. This manual is effective immediately.

NEW MANUAL:

A copy of this manual will be distributed via email to all Regional and District offices. Additional copies may be obtained from the Headquarters "P" drive (**ENG/TRAFFIC/SUPSIGNMAN/psmm.pdf**) in pdf formats.
