All Provincial Approving Officers

SUBJECT: Design Guidelines for Alpine Ski Village Roads

PURPOSE:

The purpose of this Technical Circular is to inform Ministry of Transportation staff of the new set of guidelines available for the design of roads in alpine ski villages.

These new guidelines are to be added as *Chapter 1500: Alpine Ski Village Roads* to the BC Supplement to TAC Geometric Design Guide. Chapter 1500 is available on-line at: http://www.th.gov.bc.ca/publications/eng_publications/geom/TAC/TAC.htm.

These new guidelines are to take effect immediately.

POLICY:

At this time, these guidelines are to be applied only for the design of alpine ski village roads.
