Subject: Election and Referendum Signs and Posters Policy (2018 Update)

Purpose:

This Technical Circular outlines election and referendum signing procedures in accordance with the Policy Manual for Supplemental Signs. This version supersedes T-01/11 *Election and Referendum Signs and Posters Policy* and includes a revision of highways where election signs may not be placed.

Background:

An election sign for Federal and Provincial elections is a sign, poster or other notice posted during the period between the issue of a writ of election and general voting day, by a political candidate, political party, or election advertising sponsor registered with Elections BC or Elections Canada.

An election sign for Municipal elections is a sign, poster or other notice posted during the period between the close of candidate nominations and the municipal general voting day, by a political candidate, political party, or election advertising sponsor registered with a Municipality. The sign placement period for Municipal elections is 36 days.

A referendum sign for Federal, Provincial or Municipal referenda is a sign, poster or other notice posted during the period between the issue of a writ or order of referendum and the polling day for the referendum, by a referendum proponent, opponent, or referendum advertising sponsor registered with a Municipality, Election BC or Elections Canada.

A recall or initiative sign for a Provincial recall petition, initiative petition or initiative vote is a sign, poster or other notice posted between the beginning of a recall petition period, initiative petition period or initiative vote period and the end of the respective period as described in the Recall and Initiative Act, by a proponent, opponent, authorized participant, or a recall or initiative advertising sponsor registered with Elections BC.

Policy:

The Ministry conditionally allows signs in relation to election, referendum, initiative vote, initiative petition and recall petition (henceforth collectively referred to as “election signs”) on highway rights-of-way, with the exception of any major highway structures and highways specified in the policy. Only individuals and groups registered in accordance with this policy may post signs on highway rights-of-way.

Procedures:

Election signs must:

- Only be installed by an individual or organization that is registered with a Municipality, Elections BC or Elections Canada to sponsor advertising, such as a political candidate, political party, registered advertising sponsor, a proponent or opponent, or an authorized participant.
- Identify the owner of the sign, and a BC telephone number or BC mailing address at which the owner may be contacted.
- Only be installed following the drop of a writ of elections, or 36 days prior to a Municipal election, or following the issue of a writ or order of referendum, or following the beginning of a recall petition period, initiative petition period, or initiative vote period, and must be removed on the day following the end of the electoral event.
- Be further from the road than standard traffic signs.

Election signs must not:

- Obstruct, simulate or be attached to any traffic control device (e.g. signs, sign posts or traffic signal poles),
- In any way pose a traffic hazard,
- Be placed on bridges, overpasses, tunnels or other highway structures,
- Belong to unregistered individuals or groups (i.e., any group or individual that is not a political candidate, political party, or other authorized participant registered with Elections BC, Elections Canada, or a Municipality as required).

PROHIBITIONS

Election signs may not be placed on:

- Highways within Provincial Parks,
- Highway 1, from Horseshoe Bay to Hope;
- Highway 5, from Hope to Kamloops;
- Highway 19, from Duke Point Ferry Terminal to Trans-Canada Highway;

REMOVAL OF SIGNS

Signs in contravention of this policy will be removed from the highway right-of-way by the ministry. After advising the Regional Director of the number and location of the offending sign(s) and the name of the sign owner, if identified, the District Transportation Manager will contact the owner to discuss the reasons for removal and potential proper placement.

Signs not removed by the owners on the next working day following the election, referendum, initiative vote, initiative petition or recall petition will be removed by maintenance contractors. Maintenance contractors will invoice the identified owner for the cost of removal.
