

**SCHEDULE "2"**  
**LOCAL AREA SPECIFICATIONS**

**Vancouver Island Pavement Marking Service Area**  
***Vancouver Island Local Area Specification #1 (VILAS #1)***

**Hours of Work Restrictions**

1. No work will be carried out during the following restrictions without written approval from the Ministry Representative:
  - (a) The Contractor is advised that work on the Highway will not be permitted during any long weekends associated with a statutory holiday, starting at 12:00 noon the day prior to the long weekend or statutory holiday and continuing until 9:00 a.m. the day following the long weekend or statutory holiday, and that traffic volumes may necessitate cessation of Highway operations prior to that time. For the purposes of this Schedule, Easter Monday will be considered a statutory holiday.
  - (b) The Contractor is advised that work on the Highway will not be permitted during peak traffic volume periods. Peak traffic volume periods in the Pavement Marking Service Area are as follows:
    - (i) Highway 17, Pat Bay Highway:  
Swartz Bay Ferry to Tolmie Avenue  
6:00 am to 8:30 am and 3:30 pm to 6:00 pm
    - (ii) Highway 1, Trans-Canada Highway (Victoria):  
Tolmie Avenue to south end of 4-lanes on Malahat Drive (Tunnel Hill); includes all interchanges  
6:00 am to 8:30 am and 3:30 pm to 6:00 pm
    - (iii) Highway 1, Trans-Canada Highway (Duncan):  
Boys Road to Beverly Street  
6:00 am to 8:30 am and 3:30 pm to 6:00 pm
    - (iv) Highway 14, Veterans Memorial Parkway:  
Trans-Canada Highway (including interchange) to Sooke Road  
6:00 am to 8:30 am and 3:30 pm to 6:00 pm
2. The Contractor will work with the Ministry Representative to schedule around periods of special events.
