- filling out the feedback form online at: ***gov.bc.ca/bchwy1-projects***
- mailing your feedback form to:

  Ministry of Transportation and Infrastructure
  ATTN: Salmon Arm West Project
  447 Columbia Street
  Kamloops, BC V2C 2T3

Please provide us with your feedback by December 17, 2017

About the Salmon Arm West Project

The project will upgrade six kilometres of Trans-Canada Highway 1 through the west side of the City of Salmon Arm and the Neskonlith and Adams Lake Indian Reserves. Work will involve four-laning the highway with a better alignment, installing median barrier, building a new four-lane bridge over the Salmon River, improving access to and from the highway with an interchange, intersection upgrades and new frontage roads, and safety improvements for pedestrians and cyclists with wider shoulders and a pedestrian/cyclist trail network.

Please provide any comments you may have regarding the Trans-Canada Highway 1 Salmon Arm West Project:

Personal information is collected by the Ministry of Transportation and Infrastructure under sections 26 (c) and (e) of the Freedom of Information and Protection of Privacy Act and for the purposes of soliciting the public's feedback on the Trans-Canada Highway 1 Salmon Arm West Project.
