Dear Neighbour:

Re: Road Closure - Brooksbank Avenue

Starting on at 10:00pm on Friday, July 5 to 5am Monday, July 8, Brooksbank Avenue will be **closed** from Keith Road to E 5th Street. During this full weekend closure, crews will be installing a large diameter watermain for Metro Vancouver.

The closure will be in effect 24-hours/day throughout the weekend. A full closure is required so that we can complete this work as quickly and safely as possible.

During the closure, local access will be maintained for businesses north of 5th Street, including the Daycare at 1225 E Keith Road via the south entrance. Minor delays may be encountered to ensure safe transit through the work area.

Pedestrian access will be maintained via sidewalk on the east side of Brooksbank.

The bike detour will be via Lynnmouth Avenue through the trail system to 5th Street

We understand that overnight work can be a nuisance and we will do our best to minimize impacts to neighbours when possible. Thank you in advance for your patience as we complete this important work.

Note the following scheduled night work. (Also see map on reverse.)

Start road closure	Finish road closure	Details
Friday, July 5 (10pm)	Monday, July 8 (5am)	Brooksbank Ave closed from East 5 th Street to Keith Road with local access only.

More information on this project, including regular updates, is available at: gov.bc.ca/lowerlynninterchanges
