

November 2, 2018

Dear Neighbour:

Re: Highway 1 Mountain Highway Interchange – Sanitary Sewer Tie-In

Commencing November 7, 2018, we will begin (10) days of night work to complete third party utilities installation at the intersection of Lynnmouth and Keith Road.

Work occurring at the intersection requires lane closures to safely facilitate the works and avoid severe impacts to traffic along Keith Road during the day.

Understanding the impact night work can have on nearby residents, we are making every effort to complete this work as quickly and safely as possible.

Note the following scheduled night work.

November 7-16

8:00pm to 5:00am

More information on this project, including regular updates, is available at:

gov.bc.ca/lowerlynninterchanges.

We appreciate your patience while we complete this important work. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Lafarge Canada Inc.
