

We want to hear from you!

Community engagement June 3-26, 2026

The Ministry of Transportation and Transit invites you to learn more about the T'kemplúps te Secwépemc – Kamloops Transportation Network Improvements Project. Provide your feedback about the options we are evaluating to improve transportation in the area, particularly the connection between T'kemplúps te Secwépemc and Kamloops following the loss of the Red Bridge.

What we hear through this engagement, together with input from T'kemplúps te Secwépemc, the City of Kamloops, and technical, financial, and environmental information, will inform the recommended transportation options.

This project takes place on the traditional and unceded territory of the T'kemplúps te Secwépemc, within Secwepemcúl'ecw. We are committed to continued work in partnership with T'kemplúps te Secwépemc for this project.
