Operating Grant

All British Columbia public libraries, established by the authority of the [Library Act](#), may be eligible for annual per capita operating grants based on a funding formula.

Some libraries have been provided with minimum provincial levels of funding in order to mitigate the effects of future population loss on funding levels. This minimum level of operating funding is called **Grandparent Rates**. The Libraries Branch continues to honour these Grandparent Rates for affected public libraries in 2014. Libraries with service populations that exceed their Grandparent Rate are eligible to receive full levels of funding based on the per capita operating rates.

The following table details the funding formula used to calculate annual per capita operating grants for public libraries:

Distribution by Library Type	Operating Grant per capita rate	
	Rural Regional District	Urban Regional District
Municipal Libraries and Public Library Associations (PLAs)		
Population served under 12,000	\$3.20	\$3.00
Population served between 12,000 and 35,000	\$2.70	\$2.50
Population served over 35,000	\$2.20	\$1.78
Regional Library Districts		
Rural populations within district	\$4.10	\$3.90
Municipal populations within district	\$2.20	\$1.78
Regional District Integrated Library Systems		
Rural populations within district	\$4.10	\$4.10
Municipal populations within district	\$2.20	\$2.20

Notes:

- Population figures sourced from current annual estimates provided by BC STATS. Where annual estimates are not available, population figures are sourced from 2011 Census data.
- Urban Regional Districts (RDs) for the purpose of public library operating grants include Capital, Central Okanagan, Fraser Valley and Greater Vancouver Regional Districts). All other Regional Districts are considered Rural RDs.

Resource Sharing Grant

The Resource Sharing grant is based on a piece rate for materials lent through interlibrary loan (ILL) services during the previous calendar year. Interlibrary Loan is a service that allows BC public libraries to share materials with other libraries in BC and across Canada.

The piece rate for the 2014 Resource Sharing Grant is \$2.80 per item lent in the 2013 calendar year.

There are three types of eligible ILL transactions that are used to calculate the grant:

Types of Eligible ILL Transactions	Description
Agent Outlook transactions	Primary means of tracking interlibrary loan transactions by BC public libraries. Libraries request items from other systems through a shared catalogue that is updated at regular intervals.
ILL Exception transactions	For items requested through other means, particularly email or over the phone. Also includes requests for multi-volume sets. Excludes items lent to destinations outside of Canada.
Sitka Direct Patron Request (DPR) Interlibrary Connect transactions	Multi-library direct loan project that allows libraries using the Sitka Evergreen ILS to request items via live connection from each other. Currently, three library federations are using this system.
	Participating Federations: North Coast Library Federation North East Library Federation Kootenay Library Federation

OneCard Grant

The BC OneCard Grant is funding to enable libraries to provide expanded library service to BC residents through participation in the [BC OneCard program](#). The OneCard program ensures that active patrons of any public library in BC may use their card wherever they travel within the province.

BC OneCard grants are based on either a tiered or piece rate (whichever is greater) for materials lent and returned in the previous calendar year.

Population Tiers	Minimum Compensation	
	Circulation	Returns
Population served under 3,000	\$3,175	\$3,175
Population served between 3,000 and 7,000	\$3,700	\$3,700
Population served between 7,000 and 10,000	\$4,750	\$5,500
Population served over 10,000	\$5,500	\$5,500
Multi-region Libraries: Regional systems, Integrated systems, and Greater Victoria Public Library	\$12,000	\$12,000

The piece rate for items lent or returned by libraries that exceed the minimum levels above is 8.5 cents per item.

For 2014, tiered rates were kept the same as they were in the previous calendar year for all libraries.

Literacy & Equity Grant

Literacy & Equity Grants are funding for the promotion of literacy and life-long learning within BC public libraries. Libraries may use these funds to expand their collections and services which support literacy in their community. Funds may not be used for building projects or upgrading the library's facilities and furnishings. Libraries may, however, use their grant funding in collaboration with other public libraries or federations on related projects.

Some examples of how libraries make use of their Literacy funding:

- Summer reading programs
- Building special collections (ex: low-literacy materials, ESL materials, multilingual materials, or materials for the visually impaired)
- Reading programs for reluctant readers
- Purchasing equipment in support of literacy for the visually impaired, such as DAISY (Digital Accessible Information System) readers
- Outreach services
- Early childhood initiatives such as Mother Goose, Father Moon, Baby time, etc.

Literacy funding rates for BC public libraries have been maintained at steady levels since 2009/10, and are not based on a calculation formula. Please refer to *Table 1: 2014 Library Grants Summary* to see a breakdown of Literacy & Equity Grant funding by library.
