

2018/19  
Graduation Assessment Schedule  
British Columbia, Yukon and Offshore  
Schools

**IMPORTANT NOTES**

1. Start and end times should be adhered to by all schools. However, if necessary, schools may begin up to one hour before the scheduled start time to accommodate local schedule conflicts (e.g., bus schedules). Students must remain in the supervised room for a minimum of one hour after the original scheduled start time (e.g., begin at 12 noon but ensure students do not leave until after 2:00 p.m.).
2. November, April and August sessions are electronic only. The exception being the Student Choice paper component of the Numeracy Assessment - if written in August.
3. Any necessary translations are determined in September of each year by request from the Conseil scolaire francophone.
4. All August sessions are offered through a student's school or district. Students should check with their school prior to the end of the school year to determine registration procedures for their school or district.
5. The Ministry of Education aims to ensure this schedule does not change. Occasionally circumstances require changes after it is initially published. Should changes be required, the Ministry of Education will communicate these changes via email through a TRAX Update. An updated schedule will be posted to the Ministry of Education's Provincial Examinations [website](#)
6. An online calendar of important dates related to Graduation Assessments and Data Transfers is available at <http://www.bced.gov.bc.ca/exams/calendar>.
7. All Graduation Assessments are designed to be completed within two hours. Students are permitted up to 60 additional minutes, if required
