2. Please give a brief description of new initiatives implemented by school districts for French second language programs.

The district continued with the pilot project begun in 2008-09 that incorporated the "AIM/gesture approach. Our facilitators from the previous year both gained regular employment in the district and were able to share/utilize their skills with colleagues

3. Please give a brief description of planned expenditures by school districts for carried over federal funds for school year 2010/2011.

With the carryover funds, we will continue with the "AIM" approach at the secondary level as well as upgrade our learning resources across all grades. We will also look to organize a Francophone event/presentation that could be shared with all nine of our elementary schools.
