### SCHOOL YEAR 2009/2010

3. Please give a brief description of planned expenditures by school districts for carried over federal funds for school year 2010/2011.

We are presently replenishing resources for our elementary programs. We had hoped to complete this project by May 2010 but district budget challenges prevented us from doing so – we have a very small staff. We will spend a total of \$16,578 (which includes \$3,734 from 2008/09 school year) on elementary resources November 30, 2010.
