2. Please give a brief description of new initiatives implemented by school districts for French second language programs.

We have started to
develop a French language
continuum for grades
5 to 8. French teachers
have been released to
develop this. We want
a common understanding
of the French skills that
students need to develop
in elementary school to help them
be successful in later grade levels.

SCHOOL YEAR 2009/2010

3. Please give a brief description of planned expenditures by school districts for carried over federal funds for school year 2010/2011.

We will continue to release French teachers to work on our continuum for grades 5 to 8 and expand it to include grades 9 to 12.
