2. Please give a brief description of new initiatives implemented by school districts for French second language programs.

There was considerable effort put into exploring a field trip to a French community or an extended visit to Ottawa. These plans fell through due to date conflicts and a local visit was arranged instead.

SCHOOL YEAR 2010/2011

3. Please give a brief description of planned expenditures by school districts for carried over federal funds for school year 2011/2012.

There is considerable interest in co-ordinating a visit to a French community with the potential of a longer term exchange. This plan is in flux as we look to add new staff as we lose our veteran teacher at the high school due to a career transition.

There will also need to be some attention paid to a fairly new FSL staff in the district and appropriate supports/training will need to be addressed.
