2. Please give a brief description of new initiatives implemented by school districts for French second language programs.

This year, there was a special focus on in-service training (October 2011) for the 4 Early French Immersion teachers at the 3 schools where the program is offered.

Another initiative this year was to offer two in-services for Grade 5-8 French Immersion teachers. The first in-service (October 2011) focused on the integration of Beaux-Arts in teaching French while the second in-service (February 2012) focused on the evaluation of the oral component of the French Immersion program.

At the high school level, there was an effort made (April-May 2012) to promote the International Baccalaureate Certificate Program with the Grade 10 French Immersion students who would benefit from having a French Immersion Diploma +
