District - Rationales for Classes with More Than 30 Students

042 - Maple Ridge-Pitt Meadows

Source: Class size data collection (as of September 30) from standard BC public schools.

Under the *School Act* whenever a class in grades 4 to 12 exceeds 30 students, the principal and the superintendent must confirm that in their opinion, the learning conditions in that classroom are appropriate for the students. In addition, the principal must state the reasons or rationale for that class exceeding 30 students. If parents have questions regarding the information in this report, they should contact the school principal.
