Under the *School Act* whenever a class in grades 4 to 12 exceeds 30 students, the principal and the superintendent must confirm that in their opinion, the learning conditions in that classroom are appropriate for the students. In addition, the principal must state the reasons or rationale for that class exceeding 30 students. If parents have questions regarding the information in this report, they should contact the school principal.

Ministry Code	School Name	Division/Class	No. of Students	Rationale
05314008	Osoyoos Secondary	PRINCIPLES OF MATHEMATICS 12 (1)	33	PMath 12 is a senior course where most students are highly motivated. There are no discipline issues. In addition, there is a tendency for students to drop the course as the course gets more difficult thereby reducing class size.
