Term	Definition / Notes
Graduated Adult	An adult student who has either met the general requirements for graduation in British Columbia or has completed the requirements for graduation from a secondary school or high school in another jurisdiction.
Headcount	A count of unique individuals.
Home Language	The home language identifies what primary language is normally spoken in the home. If more than one language is normally spoken in the home, only the language that is spoken most often is reported. This information is taken from Form 1701.
Homeschooled (Children)	Children may be taught at home without the supervision of a certified teacher, but are required to be registered with a public, francophone, distributed learning, or independent school.
Msk	Abbreviation for Mask. When reporting data, the number or percentage must be suppressed (or "masked") if they are elements of a population that is one through nine. For example, 8 students in a school write the Japanese 12 exam. The results for these students are masked. However, if 15 students write the exam in the school, with 8 achieving a letter grade of C, the results are not masked (as the total population is greater than nine).  Historical note: prior to October 2009, masking was applied to populations of one through four. For more information refer to <a href="http://www.bced.gov.bc.ca/policy/policies/persinfo_foi_smallpop.htm">http://www.bced.gov.bc.ca/policy/policies/persinfo_foi_smallpop.htm</a>

Provincial Resource Programs (PRP)	Provincial Resource Programs (PRP) are designed for students, who, for health or other reasons, cannot attend a regular school. These programs are intended to assist districts to meet the educational needs of students in exceptional circumstances. Students are in long-term PRPs if they are in the facility for longer than three months.
School District	A geographic area in British Columbia constituted as a district under the <i>School Act</i> . There are currently 59 school districts and one Francophone Education Authority.
School-age	Five to nineteen years of age inclusive.
