<td>Aboriginal Student</td>
<td>A student who has self-identified as being of Aboriginal ancestry (First Nations: status and non-status, Métis and Inuit). Aboriginal ancestry and Status Indian living on reserve is indicated on the Student Data Collection Form 1701. For data collection purposes a student identified as Aboriginal will be considered Aboriginal from the 2003/2004 school year forward. Status Indians are Aboriginal people who meet the requirements of the Indian Act and who are registered under the Act.</td>
</tr>
<tr>
<td>English Language Learning (ELL)</td>
<td>A program provided to students whose English language proficiency is assessed as being sufficiently different from standard English that they are identified as requiring specialized services to develop intellectually, to develop as a citizen and to achieve the expected learning outcomes of the provincial curriculum. This program was known as English as a Second Language (ESL) prior to January 2012.</td>
</tr>
<tr>
<td>Grade-to-Grade Transition Rate</td>
<td>The percentage of students who enter a grade for the first time from a lower grade and make a transition to a higher grade anywhere in the British Columbia school system in the following school year.</td>
</tr>
<tr>
<td>Msk</td>
<td>Abbreviation for Mask. When reporting data, the number or percentage must be suppressed (or &quot;masked&quot;) if they are elements of a population that is one through nine. For example, 8 students in a school write the Japanese 12 exam. The results for these students are masked. However, if 15 students write the exam in the school, with 8 achieving a letter grade of C, the results are not masked (as the total population is greater than nine). Historical note: prior to October 2009, masking was applied to populations of one through four. <tr>
<td>School Year</td>
<td>The school year includes a portion of two regular calendar years. It is the 12-month period commencing on July 1 and ending the following June 30.</td>

| Special Needs                   | When the Ministry of Education reports on the performance of students with special needs, only these three groupings are included:  
  • Sensory Disabilities (Categories E and F)  
  • Learning Disabilities (Category Q)  
  • Behaviour Disabilities (Categories H and R)  
  These groupings reflect those students who are working towards a Certificate of Graduation and for whom the Ministry's student achievement measures are most meaningful. |
| Student                         | A school-aged or adult individual enrolled in a BC school. Student populations are calculated by headcount. Registered homeschooled children are not included as students. |
| Student Grade                   | The assigned grade of a student or an enrolment on September 30. |
