

SCHOOL TAX EXEMPTIONS (WIND POWER PROJECTS) REGULATION

Authority: *School Act*, section 131.1

B.C. Reg. 85/07 Effective March 30, 2007
Lieutenant Governor in Council Order

NOTICE: The following order in council is not the official version. To obtain an official version of this order in council please contact the Order in Council Office. Telephone (250) 387-0724, Fax (250) 387-4349.

Definitions

1 In this regulation:

"Act" means the *School Act*;

"wind power project" means a power project that uses a wind turbine to generate or supply electricity from the wind.

Approved class of alternative energy power project

2 Wind power projects are approved alternative energy power projects for purposes of section 131.1 of the Act and are exempt from school taxes to the extent set out in section 3 of the regulation.

What property is tax exempt?

3 The following improvements in respect of a wind power project are exempt from school taxes:

- (a) any tower used to support a wind turbine;
- (b) the foundation for a tower referred to in paragraph (a).
