## Students with disabilities or diverse abilities

**2** (1) A board must ensure that a principal, vice principal or director of instruction offers to consult with a parent of a student with disabilities or diverse abilities regarding the placement of that student in an educational program.

(2) A board must provide a student with disabilities or diverse abilities with an educational program in a classroom where that student is integrated with other students who do not have disabilities or diverse abilities, unless the educational needs of the student with disabilities or diverse abilities or other students indicate that the educational program for the student with disabilities or diverse abilities should be provided otherwise.
