Definition

1 In this regulation, "**system of schools**" means a system of schools that have the same philosophical, educational or pedagogical perspective, such as Montessori or Waldorf schools.

Classification of independent school teaching certificates

- 2** Independent school teaching certificates are classified into the following types:
- (a) system-restricted independent school teaching certificates, which qualify the certificate holder to teach any subject within the system of schools specified on the certificate;
 - (b) subject-restricted independent school teaching certificates, which qualify the certificate holder to teach at any independent school the subjects specified on the certificate;
 - (c) school- and subject-restricted independent school teaching certificates, which qualify the certificate holder to teach the subjects specified on the certificate at one or more independent schools specified on the certificate;
 - (d) professional certificates issued by the inspector of independent schools under the *Independent School Act* before January 9, 2012;
 - (e) standard certificates issued by the inspector of independent schools under the *Independent School Act* before January 9, 2012.
