Course Definition: A course is defined by the <u>Student Credentials Ministerial Order M164/96</u>... One credit represents the value attached to the understanding, knowledge, skills and competencies that most students can acquire in approximately 30 hours of instruction (Ref: Form 1701 Instructions, P.13), Chapter 3 of the <u>Handbook of Procedures for the Graduation Program</u> and the <u>Recognition of Post-Secondary Transition</u> <u>Programs for Funding Purposes Policy</u>.

Courses encompass only one organized set of learning standards. While completion of the course's learning outcomes [competencies] may be over several registration periods, only one course is undertaken and therefore eligible for only one funding claim. (Ref. Criteria	We are looking for:	What the analysis will	Audit Procedures	Auditors Initials
		allow us to say:		

• An educator with valid teaching certificate must evaluate the performance of all students in work experience courses and assign final percentages

NOTE: Students on the Adult Graduation Program are eligible for both WEX 12A and 12B. "Credit can be awarded for current or past work experience via prior learning assessment provided that appropriate procedures are followed.

- District has a current agreement with the post-secondary institution(s).
- School district pays tuition costs for post-secondary courses reported for funding.
