**MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, KPMG, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

## MANAGEMENT REPORT

Version: 4116-3371-1388

Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 33 (Chilliwack) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 33 (Chilliwack) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a monthly basis and externally audited financial statements yearly.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 33 (Chilliwack) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Education of School District No. 33 (Chilliwack), and  
To the Minister of Education and Child Care, Province of British Columbia

### **Opinion**

We have audited the financial statements of School District No. 33 (Chilliwack) (the Entity), which comprise:

- the statement of financial position as at June 30, 2025
- the statement of operations for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the “financial statements”).

In our opinion, the accompanying financial statements of the Entity as at and for the year ended June 30, 2025, are prepared, in all material respects, in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the “**Auditor’s Responsibilities for the Audit of the Financial Statements**” section of our auditors’ report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter – Financial Reporting Framework**

We draw attention to note 2 to the financial statements which describes the applicable financial reporting framework and the significant differences between the financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

### ***Other Information***

Management is responsible for the other information. Other information comprises:

- Information, other than the financial statements and the auditors' report thereon, included in the Financial Statement Discussion and Analysis document
- Unaudited Schedules 1-4 attached to the audited financial statements

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the information, other than the financial statements and the auditor's report thereon, included in the Financial Statement Discussion and Analysis document and the Unaudited Schedules 1-4 attached to the audited financial statements as at the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget and Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

**NOTE 1      AUTHORITY AND PURPOSE**

The School District, established on April 12, 1946 operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 33 (Chilliwack)", and operates as "School District No. 33 (Chilliwack)." A board of education ("Board") elected for a four-year term governs the School District. The School District provides educational programs to students enrolled in schools in the District, and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care. School District No. 33 (Chilliwack) is exempt from federal and provincial corporate income taxes.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial statements of the School District are prepared by management in accordance with the basis of accounting described below. Significant accounting policies of the School District are as follows:

a) Basis of accounting

The financial statements have been prepared in accordance with Section 23.1 of the *Budget Transparency and Accountability Act of the Province of British Columbia* supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board.

The *Budget Transparency and Accountability Act* requires that the financial statements be prepared in accordance with the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada, or if the Treasury Board makes a regulation, the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada as modified by the alternate standard or guideline or part thereof adopted in the regulation.

Regulation 257/2010 requires all tax-payer supported organizations in the Schools, Universities, Colleges and Hospitals sectors to adopt Canadian public sector accounting standards without any PS4200 elections effective their first fiscal year commencing after January 1, 2012.

Regulation 198/2011 requires that restricted contributions received or receivable for acquiring or developing a depreciable tangible capital asset or contributions in the form of a depreciable tangible capital asset are to be deferred and recognized in revenue at the same rate that amortization of the related tangible capital asset is recorded.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

For British Columbia tax-payer supported organizations, these contributions include government transfers and externally restricted contributions.

The accounting policy requirements under Regulation 198/2011 are significantly different from the requirements of Canadian public sector accounting standards which requires that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

As a result, revenue recognized in the statement of operations and certain related deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.

b) Cash and Cash Equivalents

Cash and cash equivalents include deposits in the Provincial Ministry of Finance Central Deposit Program that are readily convertible to known amounts of cash and that are subject to insignificant risk of change in value. These cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investing.

c) Accounts Receivable

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

d) Unearned Revenue

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided.

e) Deferred Revenue and Deferred Capital Revenue

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in Note 2 (k).

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

e) Deferred Revenue and Deferred Capital Revenue (cont'd)

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations. This accounting treatment is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that creates a liability in which case the transfer is recognized as revenue over the period that the liability is extinguished.

f) Asset Retirement Obligation

The District recognizes the fair value of an Asset Retirement Obligation (“ARO”) in the period in which it incurs a legal obligation associated with the retirement of tangible capital assets. Certain building assets contain asbestos and other hazardous materials, and it is the District’s intention to, if necessary, remediate any asbestos and other hazardous materials upon disposal of a tangible capital building asset. The estimated fair value of an ARO is capitalized as part of the related tangible capital asset and depreciated on the same basis as the underlying asset. ARO is adjusted for the passage of time, which is recognized as accretion expense, and for revisions to the timing or the amount of the estimated liability. Actual costs incurred are charged against the ARO to the extent of the liability recorded. Differences between the actual costs incurred and the liability are recognized in the excess of revenues over expenses when remediation is completed.

g) Employee Future Benefits

The School District provides certain post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements. The School District accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management’s best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing. The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARSL) of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2025 and projected to March 31, 2025. The next valuation will be performed at March 31, 2028 for use at June 30, 2028. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted for all periods subsequent to July 1, 2004.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

g) Employee Future Benefits (cont’d)

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2025**

The School District and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

h) Tangible Capital Assets

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction as well as interest costs that are directly attributable to the acquisition or construction of the asset.
- Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the School District to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.
- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful lives are as follows:

Buildings	40 years
Furniture & Equipment	10 years
Vehicles	10 years
Computer Software	5 years
Computer Hardware	5 years

- Amortization of tangible capital assets are taken at one-half the normal annual rate in the year of acquisition and in the year of disposal.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

i) Prepaid Expenses

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

Prepaid expenses consist of unexpired insurance premiums and other prepaid amounts which will be amortized over the term of the policies, or in the period the actual expense relates to, respectively.

Materials and supplies held for use within the School District are included as a prepaid expense and stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

j) Funds and Reserves

Certain amounts, as approved by the Board are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved (see Note 13 – Interfund Transfers and Note 19 – Accumulated Surplus).

k) Revenue Recognition

Revenues are recorded on an accrual basis in the period in which the transactions or events occurred that gave rise to the revenues, the amounts are considered to be collectible and can be reasonably estimated.

Contributions received where eligibility criteria have been met are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the School District has to meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred,
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased, and
- Contributions restricted for tangible capital asset acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

k) Revenue Recognition (cont'd)

The accounting treatment for restricted contributions is not consistent with the requirements of Canadian public sector accounting standards which require that government transfers be recognized as revenue when approved by the transferor and eligibility criteria have been met unless the transfer contains a stipulation that meets the criteria for liability recognition in which case the transfer is recognized as revenue over the period that the liability is extinguished.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned, or service performed. All other revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

l) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

Allocation of Costs

- Operating expenses are reported by function, program, and object. Whenever possible, expenses are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

Categories of Salaries

- Principals, Vice-Principals, and Directors of Instruction employed under an administrative contract are categorized as Principals and Vice-Principals.
- Superintendents, Secretary-Treasurers, Trustees and other employees excluded from union contracts are categorized as Other Professionals.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

m) Endowment Contributions

Endowment contributions are reported as revenue on the Statement of Operations when received. Investment income earned on endowment principal is recorded as deferred revenue if it meets the definition of a liability and is recognized as revenue in the year related expenses (disbursements) are incurred. If the investment income earned does not meet the definition of a liability, it is recognized as revenue in the year it is earned. Endowment assets are reported as restricted non-financial assets on the Statement of Financial Position.

n) Financial Instruments

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The School District recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and other liabilities.

Except for portfolio investments in equity instruments quoted in an active market that are recorded at fair value, all financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition and amortized using the effective interest rate method. Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations. There are no measurement gains or losses during the periods presented; therefore, no statement of remeasurement gains or losses is included in these financial statements.

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

o) Measurement Uncertainty

Preparation of financial statements in accordance with the basis of accounting described in Note 2 (a) requires management to make estimates and assumptions that impact reported amounts of

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Actual results could differ from those estimates.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

**NOTE 11      EMPLOYEE PENSION PLANS**

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2024, the Teachers' Pension Plan has about 52,000 active members and approximately 43,000 retired members. As of December 31, 2024, the Municipal Pension Plan has about 273,000 active members, including approximately 32,000 from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2023, indicated a \$4,572 million surplus for basic pension benefits on a going concern basis.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2021, indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

The School District paid \$16,130,025 for employer contributions to the plans for the year ended June 30, 2025 (2024: \$14,950,216).

The next valuation for the Teachers' Pension Plan will be as at December 31, 2026. The next valuation for the Municipal Pension Plan was at December 31, 2024.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2025**

**NOTE 12 RESTRICTED ASSETS - ENDOWMENT FUNDS**

Donors have placed restrictions on their contributions to the endowment funds of the School District. One restriction is that the original contribution should not be spent.

<b>Total</b>	<b>\$ 73,261</b>	<b>\$ -</b>	<b>\$ 73,261</b>

**NOTE 13 INTERFUND TRANSFERS**

Interfund transfers between the operating, special purpose and capital funds for the year ended June 30, 2025, were as follows:

- A transfer in the amount of \$528,183 (2024 - \$1,065,035) was made from the operating fund to the capital fund for capital equipment purchases.

**NOTE 14 RELATED PARTY TRANSACTIONS**

The School District is related through common ownership to all Province of British Columbia ministries, agencies, school districts, health authorities, colleges, universities, and crown corporations. Transactions with these entities, unless disclosed separately, are considered to be in the normal course of operations and are recorded at the exchange amount.

**YEAR ENDED JUNE 30, 2025**

**NOTE 15 BUDGET FIGURES**

Budget figures included in the financial statements were approved by the Board through the adoption of an amended annual budget on March 11, 2025. The Board adopted a preliminary annual budget on June 11, 2024. The amended budget is used for comparison purposes, as these are based on actual student enrollments. The difference between the two budgets is as follows:

	2025 Amended	2025 Preliminary	Difference
<b>Revenues</b>			
Provincial Grants			
Ministry of Education & Child Care	\$219,998,352	\$208,686,707	\$ 11,311,645

As of June 30, 2025, the School District has entered into an agreement to purchase a property at 9460 Charles Street, Chilliwack. The site is adjacent to Chilliwack Middle School and is intended for future school expansion. The purchase closes on July 15, 2025 for a purchase price of \$3,040,000. A deposit of \$150,000 was paid prior to June 30, 2025.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)  
NOTES TO FINANCIAL STATEMENTS  
YEAR ENDED JUNE 30, 2025**

**NOTE 17     CONTINGENT LIABILITIES**

Each year the School District is involved with a number of legal actions and arbitrations. Although the outcomes of these matters are not determinable at this time, management believes they will not have a material adverse effect on the School District’s financial position or results of the operation.

**NOTE 20 ECONOMIC DEPENDENCE**

The operations of the School District are dependent on continued funding from the Ministry of Education and Child Care and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

**NOTE 21 RISK MANAGEMENT**

The School District has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The Board ensures that the School District has identified its risks and ensures that management monitors and controls them.

**SCHOOL DISTRICT NO. 33 (CHILLIWACK)**  
**NOTES TO FINANCIAL STATEMENTS**  
**YEAR ENDED JUNE 30, 2025**

**NOTE 21 RISK MANAGEMENT (cont'd)**

a) Credit risk

Credit risk is the risk of financial loss if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash and accounts receivable.

The School District is exposed to credit risk in the event of non-performance by a borrower. This risk is mitigated as most accounts receivable are due from the Province and are collectible.

It is management's opinion that the School District is not exposed to significant credit risk associated with its cash deposits and investments as they are placed in recognized British Columbia institutions or with the Provincial Ministry of Finance Central Deposit Program.

b) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. It is management's opinion that the School District is not exposed to significant currency risk, as amounts held and purchases made in foreign currency are insignificant.

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. It is management's opinion that the School District is not exposed to significant interest rate risk.

c) Liquidity risk

Liquidity risk is the risk that the School District will not be able to meet its financial obligations as they become due.

The School District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the School District's reputation.

Risk management and insurance services for all School Districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance. There have been no changes to risk exposure from 2024 related to credit, market or liquidity risks.

**School District No. 33 (Chilliwack)**  
**Statement of Financial Information (SOFI)**

**Explanation of Differences to Audited Financial Statements**

**Fiscal Year Ended June 30, 2025**

The salaries paid to employees as well as the payments disbursed to suppliers for goods and services and employee benefits premiums are disclosed on the audited financial statements as expenses, net revenues, capitalized costs or changes in accounts receivable and accounts payable.

The differences between the audited financial statements (Statement 2 – Statement of Operations) and the combined totals of the Schedule of Remuneration and Expenses and the Schedule of Payments Made of the Provision of Goods and Services are primarily as follows:

- Taxable benefits are included in the remuneration column of the Schedule of Remuneration and Expenses. The same amount is included in the Schedule of Payments Made for the Provision of Goods and Services for payments made to benefit providers.
- Accruals made at year-end for certain supplier costs and future employee benefits.
- Expenditures recovered from external organizations.
- Payments to suppliers include 100% of the Goods and Services tax, while expenditures in the financial statements are net of GST rebates.
- Depreciation of fixed assets is recorded as an expenditure on the Financial Statements whereas the Statement of Payments for the Provision of Goods and Services includes fixed asset expenditures which are capitalized on the Financial Statements.
