**MANAGEMENT REPORT**

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with Canadian generally accepted accounting principles and the integrity and objectivity of these statements are management's responsibility.

Management is also responsible for all other schedules of financial information and for ensuring this information is consistent, where appropriate, with the information contained in the financial statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Education is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control and for approving the financial information included in the Statement of Financial Information.

The external auditors, KPMG, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements as required by the *School Act*. Their examination does not relate to the other schedules of financial information required by the *Financial Information Act*. Their examination includes a review and evaluation of the board's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly.

## MANAGEMENT REPORT

Version: 8904-8158-6176

### Management's Responsibility for the Financial Statements.

The accompanying financial statements of School District No. 64 (Gulf Islands) have been prepared by management in accordance with the accounting requirements of Section 23.1 of the Budget Transparency and Accountability Act of British Columbia, supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

The preparation of financial statements necessarily involves the use of estimates based on management's judgment particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and reliable financial information is produced.

The Board of Education of School District No. 64 (Gulf Islands) (called the "Board") is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises these responsibilities through the Board. The Board reviews internal financial statements on a quarterly basis and externally audited financial statements yearly.

The external auditors, KPMG, Victoria, conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of School District No. 64 (Gulf Islands) and meet when required. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the School District's financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Education of School District No. 64 (Gulf Islands), and  
To the Minister of Education and Child Care, Province of British Columbia

### ***Opinion***

We have audited the financial statements of School District No. 64 (Gulf Islands) (the Entity), which comprise:

- the statement of financial position as at June 30, 2025
- the statement of operations for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies (Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended June 30, 2025 of the Entity are prepared, in all material respects, in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Emphasis of Matter – Financial Reporting Framework***

We draw attention to Note 2(a) to the financial statements which describes the applicable financial reporting framework and the significant differences between the financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

### ***Other Information***

Management is responsible for the other information. Other information comprises:

- Information, other than the financial statements and the auditor's report thereon, included in the Financial Statement Discussion and Analysis document.
- Information included in Unaudited Schedules 1-4 attached to the audited financial statements

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the Other Information other than the financial statements and auditor's report thereon, included in the Financial Statement Discussion and Analysis document and Unaudited Schedules 1-4 attached to the audited financial statements as at the date of this auditor's report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

### ***Responsibilities of Management and Those Charged with Governance for the Financial Statements***

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget and Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 1. Authority and purpose:

School District No. 64 (Gulf Islands) (the 'school district'), established on April 12, 1946, operates under authority of the *School Act* of British Columbia as a corporation under the name of "The Board of Education of School District No. 64 (Gulf Islands)", and operates as "School District No. 64 (Gulf Islands)". A board of education ("Board") elected for a four-year term governs the school district. The school district provides educational programs to students enrolled in schools in the district, and is principally funded by the Province of British Columbia through the Ministry of Education and Child Care. School District No. 64 is exempt from federal and provincial corporate income taxes.

## 2. Significant accounting policies:

These financial statements are prepared by management in accordance with the basis of accounting described below. Significant accounting policies of the school district are as follows:

### (a) Basis of accounting:

These financial statements have been prepared in accordance with Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia supplemented by Regulations 257/2010 and 198/2011 issued by the Province of British Columbia Treasury Board. The Budget Transparency and Accountability Act requires that the financial statements be prepared in accordance with the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada, or if the Treasury Board makes a regulation, the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada as modified by the alternate standard or guideline or part thereof adopted in the regulation.

Regulation 257/2010 requires all taxpayer-supported organizations in the Schools, Universities, Colleges and Hospitals sectors to adopt Canadian public sector accounting standards without any PS4200 elections effective their first fiscal year commencing after January 1, 2012.

Regulation 198/2011 requires that restricted contributions received or receivable for acquiring or developing a depreciable tangible capital asset or contributions in the form of a depreciable tangible capital asset are to be deferred and recognized in revenue at the same rate that amortization of the related tangible capital asset is recorded.

For British Columbia taxpayer supported organizations, these contributions include government transfers and externally restricted contributions.

The accounting policy requirements under Regulation 198/2011 are significantly different from the requirements of Canadian public sector accounting standards which requires that

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410; and

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

### (a) Basis of accounting (continued)

- externally restricted contributions are recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100.

As a result, revenue recognized in the statement of operations and certain related deferred capital revenue would be recorded differently under Canadian Public Sector Accounting Standards.

### (b) Basis of consolidation:

These financial statements reflect the assets, liabilities, revenues, and expenses of the reporting entity, which is comprised of all controlled entities. Inter-departmental balances and organizational transactions have been eliminated.

The school district does not control any significant external entities and accordingly no entities have been consolidated with the financial statements.

The school district does not administer any trust activities on behalf of external parties.

### (c) Cash and cash equivalents:

Cash and cash equivalents include cash held in bank accounts and short term highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These cash equivalents generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

### (d) Accounts receivable:

Accounts receivable are measured at amortized cost and shown net of allowance for doubtful accounts.

### (e) Unearned revenue:

Unearned revenue includes tuition fees received for courses to be delivered in future periods and receipt of proceeds for services or products to be delivered in a future period. Revenue will be recognized in that future period when the courses, services, or products are provided. As of June 30, 2025 the international program ceased and the balance was nil.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

### (f) Deferred revenue and deferred capital revenue:

Deferred revenue includes contributions received with stipulations that meet the description of restricted contributions in the Restricted Contributions Regulation 198/2011 issued by Treasury Board. When restrictions are met, deferred revenue is recognized as revenue in the fiscal year in a manner consistent with the circumstances and evidence used to support the initial recognition of the contributions received as a liability as detailed in note 2(m).

Funding received for the acquisition of depreciable tangible capital assets is recorded as deferred capital revenue and amortized over the life of the asset acquired as revenue in the statement of operations.

### (g) Employee future benefits:

The school district provides post-employment benefits including vested and non-vested benefits for certain employees pursuant to certain contracts and union agreements.

The school district accrues its obligations and related costs including both vested and non-vested benefits under employee future benefit plans. Benefits include vested sick leave, accumulating non-vested sick leave, early retirement, retirement/severance, vacation, overtime and death benefits. The benefits cost is actuarially determined using the projected unit credit method pro-rated on service and using management's best estimate of expected salary escalation, termination rates, retirement rates and mortality. The discount rate used to measure obligations is based on the cost of borrowing.

The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service lifetime (EARSL) of active employees covered under the plan.

The most recent valuation of the obligation was performed at March 31, 2025 and projected to June 30, 2025. The next valuation will be performed at March 31, 2028. For the purposes of determining the financial position of the plans and the employee future benefit costs, a measurement date of March 31 was adopted.

The school district and its employees make contributions to the Teachers' Pension Plan and Municipal Pension Plan. The plans are multi-employer plans where assets and obligations are not separated. The costs are expensed as incurred.

## 2. Significant accounting policies (continued):

### (h) Tangible capital assets:

The following criteria apply:

- Tangible capital assets acquired or constructed are recorded at cost which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost also includes overhead directly attributable to construction.
- Donated tangible capital assets are recorded at their fair market value on the date of donation, except in circumstances where fair value cannot be reasonably determined, which are then recognized at nominal value.
- Work-in-progress is recorded as an acquisition to the applicable asset class at substantial completion.
- Tangible capital assets are written down to residual value when conditions indicate they no longer contribute to the ability of the school district to provide services or when the value of future economic benefits associated with the sites and buildings are less than their net book value. The write-downs are accounted for as expenses in the Statement of Operations.
- Buildings that are demolished or destroyed are written-off.
- Works of art, historic assets and other intangible assets are not recorded as assets in these financial statements.
- The cost, less residual value, of tangible capital assets (excluding sites), is amortized on a straight-line basis over the estimated useful life of the asset. Work in progress is not amortized until available for productive use. It is management's responsibility to determine the appropriate useful lives for tangible capital assets. These useful lives are reviewed on a regular basis or if significant events initiate the need to revise. Estimated useful life is as follows:

Asset	Rate
Buildings	40 years
Furniture and equipment	10 years
Vehicles	10 years
Computer software	5 years
Computer hardware	5 years

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

(i) Liability for contaminated sites:

A liability for contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- (i) an environmental standard exists;
- (ii) contamination exceeds the environmental standard;
- (iii) the School District is directly responsible or accepts responsibility;
- (iv) it is expected that future economic benefits will be given up; and
- (v) a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

(j) Asset retirement obligations:

A liability is recognized when, as at the financial reporting date:

- (i) there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- (ii) the past transaction or event giving rise to the liability has occurred;
- (iii) it is expected that future economic benefits will be given up; and
- (iv) a reasonable estimate of the amount can be made.

The liability includes costs for the removal of asbestos and other hazardous material in several of the buildings owned by the School District. The estimate of the asset retirement obligations includes costs directly attributable to the asset retirement activities. The resulting costs have been capitalized into the carrying amount of tangible capital assets and are being amortized on the same basis as the related tangible capital asset (see note 2 h)). The carrying value of the liability is reviewed at each financial reporting date with changes to the timing or amount of the original estimate of cash flows recorded as an adjustment to the liability and related tangible capital asset.

(k) Prepaid expense:

Amounts for insurance and other services are included as a prepaid expense and stated at acquisition cost and are charged to expense over the periods expected to benefit from it.

(l) Funds and reserves:

Certain amounts, as approved by the Board are set aside in accumulated surplus for future operating and capital purposes. Transfers to and from funds and reserves are an adjustment to the respective fund when approved.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

### (m) Revenue recognition:

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Contributions received or where eligibility criteria have been met are recognized as revenue except where the contribution meets the criteria for deferral as described below. Eligibility criteria are the criteria that the school district must meet in order to receive the contributions including authorization by the transferring government.

For contributions subject to a legislative or contractual stipulation or restriction as to their use, revenue is recognized as follows:

- Non-capital contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year related expenses are incurred,
- Contributions restricted for site acquisitions are recorded as revenue when the sites are purchased, and
- Contributions restricted for tangible capital assets acquisitions other than sites are recorded as deferred capital revenue and amortized over the useful life of the related assets.

Donated tangible capital assets other than sites are recorded at fair market value and amortized over the useful life of the assets. Donated sites are recorded as revenue at fair market value when received or receivable.

Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or service performed.

Investment income is reported in the period earned. When required by the funding party or related Act, investment income earned on deferred revenue is added to the deferred revenue balance.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

### (n) Expenditures:

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

### (i) Allocation of costs:

- Operating expenses are reported by function, program, and object. Whenever possible, expenditures are determined by actual identification. Additional costs pertaining to specific instructional programs, such as special and aboriginal education, are allocated to these programs. All other costs are allocated to related programs.
- Actual salaries of personnel assigned to two or more functions or programs are allocated based on the time spent in each function and program. School-based clerical salaries are allocated to school administration and partially to other programs to which they may be assigned. Principals and Vice-Principals salaries are allocated to school administration and may be partially allocated to other programs to recognize their other responsibilities.
- Employee benefits and allowances are allocated to the same programs, and in the same proportions, as the individual's salary.
- Supplies and services are allocated based on actual program identification.

### (o) Financial instruments:

A contract establishing a financial instrument creates, at its inception, rights and obligations to receive or deliver economic benefits. The financial assets and financial liabilities portray these rights and obligations in the financial statements. The school district recognizes a financial instrument when it becomes a party to a financial instrument contract.

Financial instruments consist of cash and cash equivalents, accounts receivable, investments, and accounts payable and accrued liabilities.

Except for investments in equity instruments quoted in an active market that are recorded at fair value, all financial assets and liabilities are recorded at cost or amortized cost and the associated transaction costs are added to the carrying value of these investments upon initial recognition and amortized using the effective interest rate method. Transaction costs are incremental costs directly attributable to the acquisition or issue of a financial asset or a financial liability.

Unrealized gains and losses from changes in the fair value of financial instruments recorded at fair value are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. During the periods presented, there are no remeasurement gains or losses, and as a result, no statement of remeasurement gains and losses has been presented.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 2. Significant accounting policies (continued):

### (o) Financial instruments (continued):

Interest and dividends attributable to financial instruments are reported in the statement of operations.

All financial assets except derivatives are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

### (p) Measurement uncertainty:

Preparation of financial statements in accordance with the basis of accounting described in note 2 requires management to make estimates and assumptions that impact reported amounts of assets and liabilities at the date of the financial statements and revenues and expenses during the reporting periods. Areas requiring the use of management estimates relate to the potential impairment of assets, liabilities for contingencies, rates for amortization, asset retirement obligations and estimated employee future benefits. Actual results could differ from those estimates.

## 3. Accounts receivable:

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

## 10. Tangible capital assets (continued):

	Net book value 2025	Net book value 2024
Sites	\$ 4,107,653	\$ 4,107,653
Buildings	23,392,484	21,997,571
Furniture and equipment	1,163,030	1,319,451
Vehicles	1,749,306	1,268,043
Computer software	123,699	47,841
Computer hardware	387,247	357,319
	<u>\$ 30,923,419</u>	<u>\$ 29,097,878</u>

Contributed tangible capital assets have been recognized at fair market value at the date of contribution. The value of contributed assets received during the year is \$71,200. (2024 - \$52,856).

## 11. Employee pension plan:

The School District and its employees contribute to the Teachers' Pension Plan and Municipal Pension Plan (jointly trustee pension plans). The boards of trustees for these plans, representing plan members and employers, are responsible for administering the pension plans, including investing assets and administering benefits. The plans are multi-employer defined benefit pension plans. Basic pension benefits are based on a formula. As at December 31, 2024, the Teachers' Pension Plan has about 51,000 active members and approximately 42,000 retired members. As of December 31, 2024, the Municipal Pension Plan has about 256,000 active members, including approximately 31,000 from school districts.

Every three years, an actuarial valuation is performed to assess the financial position of the plans and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plans. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plans. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation of the Teachers' Pension Plan as at December 31, 2023, indicated a \$4,572 million surplus for basic pension benefits on a going concern basis.

The most recent actuarial valuation for the Municipal Pension Plan as at December 31, 2021, indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

The school district paid \$1,858,320 for employer contributions to the plans for the year ended June 30, 2025 (2024 - \$1,818,411).

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 11. Employee pension plan (continued):

The next valuation for the Teachers' Pension Plan will be as at December 31, 2026. The next valuation for the Municipal Pension Plan was as at December 31, 2024, with results available later in 2025.

Employers participating in the plans record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plans record accrued liabilities and accrued assets for each plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plans.

## 12. Accumulated surplus:

Accumulated surplus consists of individual fund surplus and reserves and reserve funds as follows:

	2025	2024
Invested in tangible capital assets	\$ 6,963,165	\$ 7,053,953
Operating surplus (note 18)	2,701,081	2,978,455
	<u>\$ 9,664,246</u>	<u>\$ 10,032,408</u>

Interfund transfers between the operating, special purpose and capital funds for the year ended June 30, 2025, were as follows:

\$347,786 (2024 - \$1,198,979) from the Operating Fund to the Capital Fund for capital purchases.

## 13. Contractual obligations and rights:

On June 21, 2012, the school district signed a 50-year lease agreement with the Capital Regional District (CRD) for land use at the Galiano School Site. There is no transfer of title in the lease agreement, and the land is intended for use as a community library.

On December 31, 2014, the school district signed a 60-year lease agreement with the Salt Spring Arts Council for the use of a building commonly known as Mahon Hall. There is no transfer of title in the lease agreement, and the asset remains with the school district.

On June 10, 2022, the school district signed a 5-year lease agreement with the CRD for the operation of the former Salt Spring Island Middle School Building as a community recreation facility. There is no transfer of title in the lease agreement, and the asset remains with the school district.

On November 25, 2024, the school district signed a 5-year lease agreement with the CRD for the operation of the former Phoenix Elementary School Site on Salt Spring Island. There is no transfer of title in the lease agreement, and the asset remains with the school district.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

## 13. Contractual obligations and rights:

The school district has the following annual contractual obligations:

- provision of student water taxi services, for which the amount of the obligation is negotiated, and multi-year contracts are entered into.

## 14. Budget figures:

The budget figures data presented in these financial statements is based upon the 2024/2025 amended annual budget adopted by the Board on February 26, 2025. The chart following reconciles the originally approved annual budget bylaw approved June 14, 2024, to the amended annual budget bylaw reported in these financial statements.

	2025 amended annual budget	2025 annual budget
Revenues:		
Provincial grants:		
Ministry of Education and Child Care	\$ 27,855,300	\$ 26,765,637
Tuition	480,000	490,000
Other revenue	1,565,321	1,417,821
Rentals and leases	90,000	95,000
Investment income	200,000	280,500
Amortization of deferred capital revenue	1,250,000	1,200,000
	<u>31,440,621</u>	<u>30,248,958</u>
Expenses:		
Instruction	23,168,943	21,936,443
District administration	1,735,096	1,628,870
Operations and maintenance	5,264,563	4,898,079
Transportation and housing	2,150,865	2,059,300
	<u>32,319,467</u>	<u>30,522,692</u>
Net expense	(878,846)	(273,734)
Budgeted allocation of surplus	753,846	823,734
Budgeted surplus (deficit) for the year	<u>\$ (125,000)</u>	<u>\$ 550,000</u>

## 15. Contingent liabilities:

The nature of the school district's activities is such that there is usually litigation pending or in process at any time. With respect to unsettled claims at June 30, 2025, management believes the school district has valid defenses and appropriate insurance coverage in place. In the event any claims are successful, management believes that such claims are not expected to have a material effect on the school district's financial position.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

## 16. Asset retirement obligation:

Legal liabilities exist for the removal and disposal of asbestos and other environmentally hazardous materials within some district owned buildings that will undergo major renovations or demolition in the future. The timing of future settlement is unknown.

	2025	2024
Balance, beginning of year	\$ 1,260,000	\$ 1,260,000
Estimate increase	230,000	-
Balance, end of year	\$ 1,490,000	\$ 1,260,000

## 17. Expense by object:

	2025	2024
Salaries and benefits	\$ 24,248,832	\$ 23,681,645
Services and supplies	6,067,346	6,024,015
Amortization	1,698,285	1,532,784
	\$ 32,014,463	\$ 31,238,444

## 18. Internally restricted surplus - operating fund:

	2025	2024
Internally restricted surplus:		
Unspent school flex budgets	\$ -	\$ 8,302
Unspent Indigenous Education Council Funds	38,826	-
Unspent professional development and growth funds	76,917	111,637
Internally restricted surplus	115,743	119,939
Unrestricted operating surplus	2,585,338	2,858,516
Total available for future operations	\$ 2,701,081	\$ 2,978,455

## 19. Economic dependence:

The operations of the school district are dependent on continued funding from the Ministry of Education and Child Care and various governmental agencies to carry out its programs. These financial statements have been prepared on a going concern basis.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 20. Related party transactions:

The school district is related through common ownership to all Province of British Columbia ministries, agencies, crown corporations, school districts, health authorities, hospital societies, universities and colleges that are included in the provincial government reporting entity. Transactions with these entities, unless disclosed otherwise, are recorded at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

The school district has entered into a lease with Haggis Farm (the lessor), a related party through the Secretary Treasurer, for use of premises to deliver school programs. The lessor receives rental income equal to the value of a contractual donation given to the school district each year. Both transactions are recognized in the financial statements at the amount paid and received.

## 21. Risk management:

The school district has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The Board ensures that the school district has identified its risks and ensures that management monitors and controls them.

### (a) Credit risk:

Credit risk is the risk of financial loss to an institution if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Such risks arise principally from certain financial assets held consisting of cash and cash equivalents, amounts receivable and investments.

The school district is exposed to credit risk in the event of non-performance by a borrower. This risk is mitigated as most amounts receivable are due from the Province.

It is management's opinion that the school district is not exposed to significant credit risk associated with its cash deposits and investments as they are placed in recognized British Columbia institutions.

### (b) Market risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk is comprised of currency risk and interest rate risk.

(i) Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the foreign exchange rates. The imposition of U.S. tariffs on cross-border trade will result in increased costs for goods and services procured from U.S. suppliers, impacting operations and infrastructure projects. While the long-term impact remains uncertain, Management is actively working to monitor and mitigate the risks and impacts of the tariffs.

# SCHOOL DISTRICT NO. 64 (GULF ISLANDS)

Notes to Financial Statements

Year ended June 30, 2025

---

## 21. Risk management (continued):

### (b) Market risk (continued):

- (ii) Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The school district is exposed to interest rate risk through its investments. It is management's opinion that the school district is not exposed to significant interest rate risk as it invests primarily in Mutual Funds and Provincial Bonds and Cash Deposit Account.

### (c) Liquidity risk:

Liquidity risk is the risk that the school district will not be able to meet its financial obligations as they become due.

The school district manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the school district's reputation.

Risk Management and insurance services for all school districts in British Columbia are provided by the Risk Management Branch of the Ministry of Finance. There have been no changes to risk exposures from 2024 related to credit, market or liquidity risks.

**School District  
Statement of Financial Information (SOFI)**

**School District No. 64 (Gulf Islands)**

**Fiscal Year Ended June 30, 2024**

**STATEMENT OF SEVERANCE AGREEMENTS**

There was one severance agreements made between School District No. 64 (Gulf Islands) and its non-unionized employees during fiscal year 2024-25.

This agreement represents three months' compensation. The Agreement was determined based on the value of salary and benefits.

Prepared as required by *Financial Information Regulation*, Schedule 1, subsection 6(7)

**School District**  
**Statement of Financial Information (SOFI)**  
**School District No. 64 (Gulf Islands)**  
**Fiscal Year Ended June 30, 2025**

**EXPLANATORY NOTES**

For the Schedule of Remuneration and Expenses, reconciling items for remuneration include the following:

- Adjustments reflected in the schedule are prepared on a cash basis, whereas salary expenditures in the financial statements are prepared on an accrual basis.

For the Schedule of Payments for the Provision of Goods and Services, reconciling items include the following:

- Amounts reflected in the schedule are prepared on a cash basis, whereas expenditures included on the financial statements are prepared on an accrual basis
- The list of payments to suppliers may include 100% of the GST paid, whereas the expenditures in the financial statements are shown net of the GST rebate
- The Schedules of Remuneration and Expenses and Payments for Goods and Services may include salaries and expenditures which are wholly or partially recovered or reimbursed from other organizations. Such disbursements comprise accounts receivable of the district and would be netted out, thereby reducing the district's operating expenditures in the financial statements. Recoveries could include payroll secondments, operating cost recoveries and special purpose fund recoveries.
