

GRADUATION REQUIREMENTS REGIONAL CONSULTATION SESSION DATES

The Ministry of Education is seeking input toward the development of new graduation requirements that will better reflect the competencies, skills and knowledge that students need to be successful in the 21st century.

An Advisory Group of experienced educators has been established to make recommendations based on feedback from regional consultations. Advisory Group members represent each of the six British Columbia School Superintendents Association (BCSSA) regional chapters and span many roles within the education system. The Advisory Group members are:
