Although the following web sites do not have Recommended status, they are provided as support for teachers in the instruction and assessment of the Social Justice 12 curriculum.

The selected web sites are not intended to represent an exhaustive list; rather, these sites, current as of June 2008, represent a “starter set” of potentially useful sites relevant for the Social Justice 12 curriculum. Many of the sites include sections related to resources or education materials that may complement many of the topics in social justice.
