Notes:

- a) Includes academic credit registrants only.
- b) This diagram focuses on pathways into and out of BCIT in 2014/2015 only. Details of other pathways in preceding and succeeding years are intentionally omitted.
- c) Total Count of Credentials Awarded counts all credentials awarded in academic year 2014/2015 to all registrants on any pathway(s); and to all non-registered credential recipients. Includes all 2014/2015 credentials awarded to graduate and undergraduate students, except for apprenticeships, developmental credentials, none, other and short certificates.
- d) The number of incoming unique students at BCIT may not match the number of outgoing unique students at BCIT in 2014/2015 because students who switched into BCIT within a single year are captured at another institution and are therefore only captured upon exit from BCIT.

Notes:

a) Includes academic credit registrants only.

b) This diagram focuses on pathways into and out of UBCO in 2014/2015 only. Details of other pathways in preceding and succeeding years are intentionally omitted.

c) Total Count of Credentials Awarded counts all credentials awarded in academic year 2014/2015 to all registrants on any pathway(s) and to all non-registered credential recipients.

Includes all 2014/2015 credentials awarded to graduate and undergraduate students, except for apprenticeships, developmental credentials, none, other and short certificates.

d) The number of incoming unique students at UBCO may not match the number of outgoing unique students at UBCO in 2014/2015 because students who switched into UBCO within a single year are captured at another institution and are therefore only captured upon exit from UBCO.
