

AD 230
Mental Health Nursing (4/7)
Prerequisites: AD 175, AD 158 Co-requisite:
AD 248 & PY 232 — Complex mental health
disorders are discussed. Mental health concepts
are used with the nursing process to promote
optimal health and well-being. Students
form therapeutic relationships with clients.
Clinical experiences involve caring for persons
experiencing a mental health crisis in various
settings within the community.
