 - You don't need to be a resident of B.C. to start a business. You can live outside of B.C.
 - If you live in Canada, view the [accepted IDs](#) you can use to set up your BC Services Card account.
2. Set up your BC Registry account. View our [Create an account using a BC Services Card app](#) or [BC Token](#) for help.

The screenshot shows the BC Registries Dashboard. At the top, there is a header with the British Columbia logo, the text 'BC Registries and Online Services', a notifications bell icon, and a user profile for 'KENDRA SAUNDERS MNO Services Ltd'. Below the header is a breadcrumb trail 'BC Registries Dashboard'. The main content area is titled 'BC Registries Dashboard' with the subtitle 'Access to your BC Registries account product and services'. Under the heading 'My Products and Services (3)', there is a card for 'My Business Registry'. This card features an illustration of three people in a meeting and the text: 'Register or incorporate a business, manage name requests and keep business records up to date.' Below this text is a blue button labeled 'Open >'. A blue arrow points from the text 'Open My Business Registry' on the left towards this 'Open >' button. To the right of the 'My Business Registry' card, there is a section titled 'Add Product and Services' with the text: 'To request access to additional products and services, contact the account Administrator of your BC Registries account.' At the bottom right, there is a link for 'Help with How to Use BC Registries Products and Services'.
