A **Business BCeID** is required to access the online REDIP application forms and reporting templates:

- Applicants must be registered with BCeID.

- Click on the hyperlink for your organization in the "Legal Name" column.
- Type in the Security Control text when prompted and click "Continue".
- Business BCeID details will be displayed for all of the organization's users and will also show those who have been assigned the Account or Profile Manager roles.
- Contact the Account or Profile Manager within your organization to request creation of a unique Business BCeID for you to use.
- Once you have a unique Business BCeID, you will be able to access the reporting templates (linked below) and submit a report on behalf of your organization.
