Learn About:

The Liquefied Natural Gas (LNG) sector in B.C. has the potential to create up to 100,000 jobs throughout the province. Hear how businesses and communities all over B.C. have already started to take advantage of this once-in-a-generation opportunity.

Learn about the fundamentals of LNG, facts, myths, and how you can get prepared and involved. Also learn how LNG-Buy BC program can help businesses make connections, heighten their profiles and promote business capabilities. Coast Industrial Construction will share their first-hand experience using the LNG-Buy BC online tool and share best practices for getting noticed.

About the series:

This webinar series offers an opportunity to learn from your peers and share ideas and practices on how to engage your community or business with B.C.'s economic sectors.

The webinars are free and open to everyone.

Details to connect to the webinar will be provided 48 hours prior to the event
