Learn About:

Growing into foreign markets or expanding distribution can be a challenge - fortunately the B.C. Government offers a range of resources that can help B.C.'s manufacturers of any product grow their export markets. Representatives from the Ministry of International Trade and Small Business BC will share the export-related services they can offer businesses to help sustainably grow distribution.

Whether you're brand new to exporting or looking to further expand your international presence, your business can benefit from our presenters' expertise.

About the Series:

This webinar series offers an opportunity to learn from your peers and share ideas and practices on how to engage your community or business with B.C.'s economic sectors.

The webinars are free and open to everyone.
