Ministry of Community, Sports and Cultural
Development

Narissa Chadwick

Senior Planner

Intergovernmental Relations and Planning Branch
Ministry of Community, Sports and Cultural
Development

Ben Finkelstein

Manager

Climate Action Secretariat
Ministry of Environment

Learn About:

Local government staff who want to become more familiar with the CARIP - Carbon Neutral reporting process will learn about:

- Climate Action Charter and the Green Communities Committee (GCC)
- CARIP reporting requirements and deadline
- Carbon neutral reporting process

Details:

Climate action is a key provincial priority and local governments are a key partner. The Climate Action Revenue Incentive Program (CARIP) is a conditional grant that provides funding to eligible local government signatories to the Climate Action Charter, equivalent to one hundred percent of the carbon taxes they pay directly. Under CARIP, local governments are required to report on their climate actions and progress towards carbon neutrality on or before June 1, 2016. This webinar will provide attendees with an opportunity to ask questions related to the CARIP reporting requirements.
