**Qualifying Business Activities**

The EBC must be **substantially engaged** in one of the seven **qualifying activities** from the time of registration to 5 years after the date of the last investment for which an investor received a tax credit. The seven qualifying activities are set out in section 11 of the *Small Business Venture Capital Regulation* (the “SBVC Regulation”) and are described in [ESB & EBC Policy Statement \(gov.bc.ca\)](#). The qualifying activities are:

1. Manufacturing and processing of goods produced in British Columbia;
2. Destination tourism resort, tourist attraction or a tourist service;
3. Research and development of proprietary technology;
4. Development of interactive digital new media product;
5. Community diversification by an EBC located outside the Metro Vancouver Regional District and the Capital Regional District\*;
6. Manufacturing and processing and/or research and development of clean technologies; and
7. Advanced commercialization carried on by an EBC located outside the Metro Vancouver Regional District and the Capital Regional District.

\* to qualify for Community Diversification an EBC must be substantially engaged in one of the seven qualifying activities listed above; or, per section 11(2)(e) and (f) of the SBVC Regulation, be substantially engaged in non-traditional agriculture, which is defined as a product that does not have a proven record in BC, and has difficulty attracting investment or debt financing; or retail and commercial services that are not present in the community and promote community diversification.

**Substantially Engaged in a Qualifying Activity**

To be substantially engaged, more than 50% of the assets and expenses of the business are used in one or more of the prescribed qualifying activities.

$$\text{Formula: } \frac{\text{Qualifying Activity Assets} + \text{Qualifying Activity Expenses}}{\text{Total Assets} + \text{Total Expenses}} > 0.5$$

Where,

*Activity Assets* = the value of assets of the small business used in B.C. in the prescribed business activity.

*Total Assets* = the total value of all assets of the small business.

*Activity Expenses* = the expenses of the small business incurred during the calculation period with respect to the portion of the prescribed business activity carried on in B.C. (some costs incurred outside B.C. by businesses involved in “manufacturing and processing” and “research and development of proprietary technology” can be included as Activity Expenses)

*Total Expenses* = the total of all expenses of the small business incurred during the calculation period with respect to all operations of the small business.
