

To learn about regulation requirements for burning, visit [Open Burning Smoke Control Regulation \(OBSCR\)](#).

Fill out this sheet to keep a record of your open burning. You must provide detail for all information on this record. If you wish, you can use another format. The record must be kept on the site of the burn, available to an officer on request, and retained for at least a year following the start of the burn.

## 1. Contact Information

<b>Burn Registration Number:</b>
