**Re: Pollution Prevention Order 108432**

On May 12, 2016, Pollution Prevention Order 108432(Order), made under Section 81 of the *Environmental Management Act* [SBC 2003] Chapter 53, was issued to Kenneth Regehr Holdings Ltd. pertaining to the prevention of the release of agricultural waste into the environment.

An inspection conducted on August 6, 2019 by the Ministry of Environment and Climate Change Strategy, confirmed that all outstanding requirements under the Order have been fulfilled. A copy of the inspection report is attached.

Please note the agriculture waste generated from the Lands, defined by the Order are subject to the requirements of the Code of Practice for Agricultural Environmental Management, *Environmental Management Act*. More information on the AEM Code can be found at the following website link <https://www2.gov.bc.ca/gov/content/environment/waste-management/industrial-waste/agriculture>

At this time, I am instructing you that the Order is no longer in effect and confirming that there are no further obligations under the Order.

Please contact the undersigned if you have any questions.

Yours truly,

A handwritten signature in black ink, appearing to read "Brady Nelles".
