**Subject:** RE: Rahim: Cobble Hill Landfill – environmental monitor contacts?

Maureen,

Allterra Construction Ltd. will be participating in the 2017 closure activities for the Stebbings Road mine site on a fee for service basis with the owner of the property, Cobble Hill Holdings Ltd. The contact persons at Allterra in connection with such activities are Todd Mizuik and Raymond Lam, whose contact information are [todd@allterraconstruction.ca](mailto:todd@allterraconstruction.ca) and [raymond@allterraconstruction.ca](mailto:raymond@allterraconstruction.ca).

Allterra wishes to make it clear to all concerned, however, that neither Allterra's participation in the 2017 closure activities, nor the provision of contact information for an Allterra employee in connection with such activities, is to be construed as an admission or indication that Allterra was properly made a "Named Party" in the Spill Prevention Order relating to the site.

Thank you,

Raymond Lam | Principal | General Manager
