

Log of Borehole: BH12-9

Project Name/No: 1505-012.01

Logged by: Halie Gough and Andrei Novikov

Client: Ministry of Citizens' Services and Open Government

Drilling Method: Hydrovac

Date Drilled: December 11, 2012

Drilling Company: Kamloops Jet Vac Ltd.

Site Location: 1259 Dalhousie Drive, Kamloops, BC

Sheet: 1 of 2

SUBSURFACE PROFILE				SAMPLE				Backfill details	
Depth	Symbol	Description	Depth/Elev (m)	Sample ID	Analysed Y,N	Sample Type	Vapour ppm		LEL %
							0 250 500	0 50 100	
0		Ground Surface	0.00						
0		SAND and GRAVEL coarse grained, trace silt, dark brown, medium dense, damp, no staining, no odour	0.00
